Dear Sirs/Madam

Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR) – ESG Credit Rating

Pursuant to Regulation 30 of SEBI LODR read with master circular HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, we wish to inform you that SES ESG Research Private Limited (SES) has on June 24, 2026, has revised the Company's ESG score from "71.3" to "69.8".

ESG score declined marginally, primarily due to lower Environmental and Social performance. Environmental performance was impacted by renewable energy usage, sustainable procurement, supplier assessments and wastewater management, despite progress on green building certifications and sustainability targets. Social performance was affected by safety incidents, workplace grievances, diversity-related metrics and customer complaints. Governance performance improved due to strong Board oversight, clean audit reports and enhanced ESG disclosures, though moderated by certain independence and related party transaction concerns.

Please note that the Company has not engaged SES for ESG Rating. SES has independently prepared the report based on data available in public domain.

This disclosure is made based on the information received by the undersigned today.

Kindly take the above on record.

Thanking You
Yours sincerely,
For Larsen & Toubro Limited
