Panache Digilife develops "SENSE" a Facial Recognition Terminal, Thermal Camera & Automatic Hand Sanitizer

Adding one more product under its Lyf-Lyn range of products

Mumbai, September 14, 2020: Panache Digilife Limited is delighted to inform our esteemed stakeholders about the development of the product "**Sense**", that provides temperature detection with alert system, automatic hand sanitization and Facial Recognition to adopt the new normal. This product has been launched under the **New-age Smart Personal and Community Hygiene Ecosystem product range – "Lyf-Lyn"** to address the sanitization process as well as enable creation and maintenance of health records.

The Product being contactless is activated through an ultrasonic sensor. This product **offers temperature sensors as well as sanitizer level indicator**. It contains a **single fluid nozzle with a low flow rate that helps sanitize the hands with minimum wastage**. The product has **wide applications** across **Commercial premises, Retail Malls, Cinemas, Airports, Railway Station, Hotels, Hospitals, Educational Institutions**, etc. This product serves as a **one-point solution** for **Safety, Security and Surveillance** catering to multiple requirements including thermal scanning, face recognition and sanitization thereby **optimizing time, money and efforts**.

Key features of "Sense":

- smart and user-friendly design
- Contactless interface with sensor
- Quick-refill tank
- Electronic display and sanitizer level indicator
- Provision for battery power mode

Commenting on the development of "Sense", Mr. Amit Rambhia, Chairman & Managing Director, "We at Panache Digilife Limited are pleased to inform about our recent development **within the Lyf-Lyn range of products** to cater the need of the hour. We are very confident about the **sustainable demand of such products going forward** as we can see **resurgence towards personal health and hygiene in the new normal**. We have always thrived towards breakthrough innovations with the sole aim of '**Making Human Life Easy**'. As the world transits through these extraordinary times, Panache through its 'New Product Range' **intends to find 'Answers for today's and Solutions for tomorrow's challenges'**, by combining disruptions in technology and rapid product development."
