Attention is drawn to the fact that the figures for the quarter ended 31st March 2017 and corresponding quarter ended in the previous year as reported in the statement are balancing figures between audited figures in respect of the full financial year. Also the figures upto the end of the third quarter had only been reviewed and not subject to audit.
2. These consolidated financial results which are the responsibility of the company's management and approved by the Board of Directors, have been prepared on the basis of the related financial statements of the Group which is in accordance with Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India.
3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. The procedures selected depend on the Auditor's judgement, including the assessment of the risk of material misstatement of the financial statements whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of financial statement, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our qualified opinion.
4. We state that "From 1st July, 2016 company has not provided for interest and other dues of ₹ 29,917,920/- on borrowings from a bank which have become NPA account as per bank classification and are outstanding at the year end and in respect of which interest has been reversed/not charged in statements provided by the Bank. c. Company has received and accepted Sanction letter / in principle approval with ARC for payment of ₹ 373,800,000/- towards full & final payment of the amount due & payable to ARC Subject to Company complying with 'Schedule of Payments' referred to in Sanction letter / in principle approval. As per schedule of payment ₹ 167,500,000 /- is ought to be paid before 29th March, 2021 in half yearly instalments and ₹ 206,300,000/- is ought to be paid before 30th September, 2021 in half yearly instalments. Company has paid all the instalments due upto 31st March, 2017 and is confident of meeting all payment schedules specified in Sanction letter / in principle approval. In opinion of the management the settled amounts with ARC are new borrowing/ liability since the lender is different from earlier lenders and the new borrowings/ liability are on substantially different terms viz as amount of settlement, schedule of payment etc. Hence, this modification is treated as de-recognition of the original liability and the recognition of a new liability.

Accordingly, Company has written back ₹ 714,204,200/- as exceptional item (settlement of dues) as difference between loans assigned to ARC by banks & Settlement amount between Company & ARC.

d. In respect of dues to ARC which have been assigned by banks and in respect of which Settlement between company and ARC, no interest has been provided, since, the company is in the process of making settlement with the ARC. 5. As per amendments made in Accounting Standard -10, on Property, Plant & Equipment (AS-10), w.e.f. 01.04.2016 all fixed assets of a particular category are to be revalued. In case of selective revaluation done in earlier years the AS-10 offered the alternative of adjusting outstanding balance in Revaluation Reserve against the carrying amount of that item in case company opts for not revaluing all fixed assets of that particular category. The company has transferred outstanding balance in Revaluation Reserve of ₹ 15,057,484/- as on 01.04.2016 to land ₹ 7,650,950/- and Building ₹ 7,406,534/- and accumulated depreciation ₹ 6,219,131/- thereon. Notes:

1. The above results reviewed by the Audit Committee have been taken on record by the Board of Directors at their meeting held on 29th May, 2017.
2. Consolidated financial results include audited financials of one wholly owned subsidiary of the company namely AEI Power Cables Limited, United Kingdom, and unaudited financials of other wholly owned subsidiary of the company namely Paramount Holdings Limited, Cyprus, which have been incorporated as certified by the management of the company.
3. The independent Auditors have qualified their Audit Report on statement of consolidated financial results for the quarter and year ended 31st March, 2017 as follows:

"From 1st July, 2016 company has not provided for interest and other dues of ₹ 29,917,920/- on borrowings from a bank which have become NPA account as per bank classification and are outstanding at the year end and in respect of which interest has been reversed/not charged in statements provided by the Bank. Amount of interest not provided ₹ 29,917,920/- as per the estimate by the management. We further report that loss for the year would have been ₹ 33,910,453/- as against reported figure ₹ 3,992,533/- and short term borrowings would have been ₹ 526,220,445/- as against reported figure ₹ 496,302,525/- and debit balance in surplus would have been ₹ 4,391,302,877/- as against reported figure ₹ 4,361,384,957/-."
4. In the Independent Auditors report for the year ended 31st March, 2017, the Independent Auditors have also reported that Non provision of interest on borrowings from a bank as described in the Basis of Qualified Opinion and the going concern matter described under the Emphasis of Matter, in our opinion, may have an adverse effect on the functioning of the Company.

Management Response to 3 & 4 above
 - a. Company has obtained balance confirmation from aforesaid bank as on 31st March, 2017 and there are no material difference between outstandings as per the bank & company. Management is of the opinion that no further interest is to be provided other than already accounted for.
 - b. The accompanying financial statements have been prepared on a going concern basis based on cumulative impact of following mitigating factors:
 - The company has not defaulted in payment of statutory dues or its trade creditors etc.
 - The company has entered in Settlement agreement with ARC for dues of two banks assigned to ARC. Further Company is negotiating with ARC for settlement of dues for another bank.
 - Subsequent to year end company has entered in to Settlement agreement with one bank.
 - The terms of settlements with ARC and Banks will reduce substantially company's negative net worth. Also Company has reasonable assurance of meeting terms and conditions of settlement with ARC/Bank. This reasonable assurance is based upon future cash flows of the Company and undertaking from the promoters of infusing necessary funds for meeting the obligations of settlement.
 - The Company and promoters have undertaken to raise and had raised adequate finances by way of disposal of assets and induction of fresh funds by promoters and/or promoter group companies.
 - The company has strong order book position.
5. Independent Auditors of the company have without qualifying their opinion drawn attention to the following:
 - a. The accompanying financial statements have been prepared on a going concern basis despite negative net worth, overdue in repayment of loan instalments, interest to banks, working capital facilities from banks, overdue in redemption of Foreign Currency Convertible Bonds (FCCBs). The appropriateness of the said basis is inter-alia dependent on Company's ability to generate profit in future years and meet its financial obligations.
 - b. For Banks who have assigned and transferred the loan together with all underlying securities thereto and rights etc., to a Securitization and Asset Reconstruction Company, dues to those banks have been transferred and shown as due to Securitization and Asset Reconstruction Company.

c. Company has received and accepted Sanction letter / in principle approval with ARC for payment of ₹ 373,800,000/- towards full & final payment of the amount due & payable to ARC Subject to Company complying with 'Schedule of Payments' referred to in Sanction letter / in principle approval. As per schedule of payment ₹ 167,500,000 /- is ought to be paid before 29th March, 2021 in half yearly instalments and ₹ 206,300,000/- is ought to be paid before 30th September, 2021 in half yearly instalments. Company has paid all the instalments due upto 31st March, 2017 and is confident of meeting all payment schedules specified in Sanction letter / in principle approval. In opinion of the management the settled amounts with ARC are new borrowing/ liability since the lender is different from earlier lenders and the new borrowings/ liability are on substantially different terms viz as amount of settlement, schedule of payment etc. Hence, this modification is treated as de-recognition of the original liability and the recognition of a new liability.

Accordingly, Company has written back ₹ 714,204,200/- as exceptional item (settlement of dues) as difference between loans assigned to ARC by banks & Settlement amount between Company & ARC.

d. In respect of dues to ARC which have been assigned by banks and in respect of which Settlement between company and ARC, no interest has been provided, since, the company is in the process of making settlement with the ARC. g. -. In case of AEI Power Cables Limited, United Kingdom (Subsidiary Company), the status of the company from 1st April, 2017 is dormant, but the intention is still to remain in existence for the foreseeable future".

6. As per amendments made in Accounting Standard -10, on Property, Plant & Equipment (AS-10), w.e.f. 01.04.2016 all fixed assets of a particular category are to be revalued. In case of selective revaluation done in earlier years the AS-10 offered the alternative of adjusting outstanding balance in Revaluation Reserve against the carrying amount of that item in case company opts for not revaluing all fixed assets of that particular category. The company has transferred outstanding balance in Revaluation Reserve of ₹ 15,057,484/- as on 01.04.2016 to land ₹ 7,650,950/- and Building ₹ 7,406,534/- and accumulated depreciation ₹ 6,219,131/- thereon. This has no material impact on loss for the year.

7. In respect of dues to ARC which have been assigned by banks and in respect of which Settlement between company and ARC, no interest has been provided, since, the company is in the process of making settlement with the ARC. As per terms & conditions of Settlements with ARC during the year, no interest was charged by ARC.

8. Subsequent to the year end company has entered into Settlement with a bank. Dues of settlement are to be paid to the bank on or before 31st March, 2018.
