Paramatrix Wins ₹5.41 Cr IT Deal to Drive Digital Growth in Commodities Market Tech

Mumbai, India – January 30th, 2025 – **Paramatrix Technologies Limited (NSE: PARAMATRIX)**, a leading technology solutions provider, is pleased to announce the signing of a three-year contract with a National-level Market Infrastructure Institution in the Indian Commodities Market for Application Development and Maintenance (ADM) engagement.

The contract, which spans from January 2025 to March 2028, has a total estimated value of ₹ 5.41 Cr. The agreement highlights Paramatrix's expertise in delivering high-quality, scalable, and reliable IT solutions tailored to meet the evolving needs of its clients. This engagement reinforces Paramatrix's commitment to driving digital transformation for organizations and reflects its growing footprint in the technology landscape.

Commenting on the development Mr. Mukesh Thumar, Founder, MD & CE0 of Paramatrix Technologies Limited said: "We are thrilled to partner with this National-level Market Infrastructure Institution in the Indian Commodities Market for their Application Development and Maintenance initiatives. This strategic collaboration reflects our commitment to delivering cutting-edge technology solutions that align with our client's business goals."

"With our proven expertise and client-centric approach, we aim to enhance the institution's operational capabilities and support their vision for growth and innovation. This partnership reaffirms our position as a trusted IT partner in the industry, and we look forward to contributing meaningfully to their success over the next three years."

About Paramatrix Technologies Limited

Paramatrix is a dynamic and technology-driven company specializing in IT solutions, custom software development, and innovative product offerings. Established in 2004, the Company has steadily built a reputation for delivering solutions tailored to meet the unique needs of clients across diverse industries. With a strong focus on quality, customer satisfaction, and technological advancement, Paramatrix offers a comprehensive portfolio that includes enterprise software, digital transformation solutions, and proprietary products.

Paramatrix's key products include cutting-edge applications designed for enhanced operational efficiency, such as its flagship solutions for data management, automation, and analytics. These products have been widely adopted across industries and are recognized for their scalability and user-centric design.

Operating with a mission to empower businesses through technology, the Company serves a wide array of industries, including finance, banking, insurance, healthcare, and education. Its commitment to innovation and excellence has positioned it as a trusted partner for organizations aiming to achieve sustainable growth and operational efficiency.

In FY24, the company reported Total Income of ₹ 28.60 Cr, EBITDA of ₹ 5.65 Cr, and Profit After Tax of ₹ 4.13 Cr.
