WEEKLY CALL BETWEEN DGMOS OF THE TWO COUNTRIES

Army warns Pakistan of ceasefire violations as LoC firing continues

● Border residents renovating bunkers for any eventuality

BASHAARAT MASOOD & AMRITA NAYAK DUTTA
Sinagra/New Delhi, April 30

AMID MOUNTING TENSIONS and exchange of fire at multiple places along the Line of Control after the Pahalgam terror attack, nominated officers from the Directorate General of Military Operations (DGMO) of India and Pakistan spoke over the hotline on Tuesday. Sources in the defence establishment said although it was a weekly call, the Indian side strongly objected to the multiple ceasefire violations by

WAR LOOMS

■ The ceasefire, effected in 2003 and again in 2021, appears to be very fragile now

Pakistan along the LoC and warned the Pakistan Army against unprovoked firing. Indian and Pakistani troops again exchanged fire Wednesday. As the LoC hot up, worried residents of border areas have begun renovating and cleaning bunkers - their lifeline when the two sides

trade gunfire and shells. The ceasefire, effected in 2003 and again in 2021, appears to be very fragile now given the repeated exchange of fire ever since the Pahalgam terror attack. The Army accused Pakistani troops of violating the ceasefire. "Unprovoked small arms firing

by Pakistan Army was also reported from their (Pakistan) posts across the Line of Control in Baramulla and Kupwara districts as well as across the international border in Pargwal sector," the defence spokesman said. "Indian Army troops responded appropriately." Pakistan has been violating the ceasefire ever since April 23, the day after the Pahalgam terror attack. It was also the day India announced a raft of measures against Pakistan, including suspension of the Indus Waters Treaty. The repeated ceasefire violations by Pakistan and targeting of Indian posts have sent tensions soaring in the border areas. Fearing a return to the days before the 2003 ceasefire, residents have begun renovating bunkers. Farooq Ahmad, a resident of Churand village in Baramulla's Uri sector, said over the phone: "Barring a few incidents, the LoC was peaceful for more than two decades." "We had left our bunkers unattended and they were crumbling. But now we have started to renovate them. If India and Pakistan go to war, it is we border residents who will have to face the maximum brunt," he said. Zubair Ahmad, a resident of Sopore, has already started stocking supplies. "People are worried, especially after backing-to-back statements from Pakistani leaders. I have stocked some essential items. I hope war doesn't break out. It will only bring more misery."

Mumbai property registrations in April highest in last 13 years

MUMBAI CITY SAW over 12,000 property registrations in April, a growth of 4% year-on-year, Knight Frank India said on Wednesday. This will be the highest number of registrations (12,142) for the month of April in last 13 years. Stamp duty collections, meanwhile, grew 6% y-o-y to ₹990 crore. The market continues to be driven by residential demand, with 80% of all registrations in April attributed to residential properties - underscoring sustained end-user interest in the housing segment, the property consultant said. The share of registrations for properties priced at ₹2 crore and above increased from 22% in April 2024 to 25% in April 2025, totalling 3,010 transactions. The share of registrations for properties priced below ₹50 lakh, on the other hand remained flat at 14%, Knight Frank said.

US urges India, Pak not to escalate situation

SHUBHAJIT ROY
New Delhi, April 30

WITH PRIME MINISTER Narendra Modi promising retaliation for the Pahalgam terror attack and telling the military brass that they have "complete operational freedom to decide on the mode, targets and timing of our response", the US has started reaching out to India and Pakistan to ask them "not to escalate the situation". Washington's move came on the day 25 diplomats, officials and staffers from Indian and Pakistan High Commissions in Islamabad and Delhi returned home, bringing down the strength of the High Commissions from 55 to 30. US State Department spokesperson Tammy Bruce

told the press that Washington is reaching out to both India and Pakistan "regarding the Kashmir situation" and telling them "not to escalate the situation". Secretary of State Marco Rubio "expects to speak with the Foreign Ministers of Pakistan and India as early as today or tomorrow. He is encouraging other national leaders and Foreign Ministers to reach out to the countries on this issue," Bruce said. "Every day action is being taken. In this case, the Secretary speaking directly to his counterparts in India and Pakistan... We expect... the impact he has usually had with the individuals he has spoken with, and certainly with President Trump's leadership, India

TAMMY BRUCE, SPOKESPERSON, US STATE DEPARTMENT
We, of course, are encouraging all parties to work together for a responsible solution

the United States" - Asif's admission of his country's terrorism links - Bruce said. "The only thing I am really prepared to discuss here is the fact that the Secretary of State is going to be speaking with the Foreign Ministers of both countries." "What I can tell you... we are also monitoring the developments across the board in that region... and as you know, at multiple levels, I have to say, are in touch with the governments of India and Pakistan, not just at the Foreign Minister level, certainly, but at multiple levels. We, of course, are encouraging all parties to work together for a responsible solution. The world is watching this. But I have no additional details in that regard." Washington's call for de-

escalation comes at a time when the UK and Saudi Arabia have made calls to Delhi and Islamabad. UK's Foreign Secretary David Lammy and Saudi Foreign Ministeraisal bin Farhan Al Saud have spoken to External Affairs Minister S Jaishankar and Pakistan's Deputy Prime Minister Ishaq Dar. Iran Foreign Minister Abbas Araghchi has also offered to mediate between the two countries. UN Secretary General Antonio Guterres, who also spoke to Jaishankar and Dar, too expressed deep concern over the rising tensions between India and Pakistan and underlined the need to avoid a confrontation that could result in tragic consequences.

Majority of Indians seek job switch in next one year: Aon

PRESS TRUST OF INDIA
New Delhi, April 30

MAJORITY OF WORKERS in India are either in the process of changing jobs or might do so in the next 12 months, according to a study by leading global professional services firm Aon. Aon's 2025 Employee Sentiment Study noted that 82% of surveyed employees in India are either in the process of moving jobs or might seek new employment in the next 12 months, compared to 60% across the globe. The global study of more

than 9,000 employees across 23 geographies, including the US, the UK, China, India and Australia, found that a majority of workers in India are considering changing employers. The study further revealed that 7% of employees feel undervalued in India, compared to 13% globally. "Until recently, very few companies considered how benefits, wellness and healthcare programmes could shape their employer brand and employee value proposition. Post-Covid, we are seeing changes as employees increas-

ingly value these programmes, and companies are more actively branding and communicating their availability to current and future employees." "A multigenerational workforce is accelerating this change, while advanced technology is making it easier to implement these programmes. In the next decade, companies that excel in benefits, health and wellness will have a significant opportunity to position themselves as best-in-class employers." Nitin Sethi, head of Talent Solutions for India at Aon said.
