***Disclaimer**

The claims submitted by the Homebuyers/Allottees have been collated and admitted on a provisional basis by the Resolution Professional ("RP") in discharge of the statutory functions under the Insolvency and Bankruptcy Code, 2016 ("Code/IBC") and the applicable provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), including Regulations 13 and 16A, for the limited purposes of determining the claims constituting financial debt, constitution of the Committee of Creditors ("CoC") and computation of the voting share of the class of Homebuyers/Allottees.

The admission of claims is based upon the information, documents and records presently available to the RP. It is pertinent to note that the books of account, allottee-wise records, payment particulars, project records and other relevant information of the Corporate Debtor have been made available only partially and are presently subject to verification, reconciliation and validation. Accordingly, the claim amounts reflected herein are provisional in nature and may, upon receipt of additional information, documents, records, confirmations or clarifications and upon completion of verification and reconciliation, be increased, reduced, modified, reclassified or rejected, in whole or in part.

For the limited purpose of determining the voting share of the Homebuyers/Allottees constituting a class of creditors, interest has been considered at the higher of (i) the rate of interest stipulated under the applicable Builder-Buyer Agreement ("BBA")/Plot Buyer Agreement ("PBA"), as the case may be, and (ii) 8% per annum, in accordance with Regulation 16A(7) of the CIRP Regulations. Such consideration of interest is strictly for the limited purpose of computation of the voting share of the class and shall not constitute or be construed as an admission, acknowledgment or final determination of any individual allottee's entitlement to interest or any other monetary component of the claim.

It is further clarified that, at this stage, any amounts claimed or awarded towards compensation, damages, penalty, enhanced compensation, interest in excess of the amount considered for voting purposes, refund, or any other relief or monetary component pursuant to or in connection with proceedings before any statutory authority, Real Estate Regulatory Authority ("RERA"), Consumer Commission, court, tribunal, arbitral forum or any other judicial, quasi-judicial or regulatory authority have been provisionally considered, wherever ascertainable, solely for the purpose of claim collation and shall remain subject to verification, reconciliation, legal examination and determination in accordance with the Code, applicable law and the outcome of the relevant proceedings. The provisional consideration of any such amount shall not constitute an admission, acknowledgment or final determination of the entitlement, quantum, validity or enforceability thereof. Further, to the extent any proceedings, awards, decrees, orders or recovery/execution proceedings are subject to the moratorium under Section 14 of the Code, the rights and remedies of the concerned parties shall remain subject to the restrictions, exceptions and consequences prescribed under the Code.

The RP reserves the right, at any stage of the CIRP, to call for and obtain additional information, documents, records, payment details, allotment records, reconciliations, confirmations, legal opinions, judicial orders or any other material considered necessary for verification and determination of the claims, and to revise, modify, enhance, reduce, reclassify or reject any claim, in whole or in part, in accordance with law.

Accordingly, the amounts presently reflected against the respective Homebuyers/Allottees shall not be construed as final or conclusive admission of the claims or as a final determination of the rights, liabilities or entitlements of any allottee or other stakeholder. The final quantum, classification and treatment of the claims shall remain subject to completion of verification and reconciliation and shall be dealt with in accordance with the IBC, CIRP Regulations, applicable laws, judicial pronouncements and orders/directions of the Hon'ble Adjudicating Authority or any other competent forum.

***Disclaimer**

The claims submitted by the Employees/Workmen of the Corporate Debtor have been collated and admitted on a provisional basis by the Resolution Professional ("RP") in discharge of the statutory functions under the Insolvency and Bankruptcy Code, 2016 ("Code/IBC") and the applicable provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), including Regulation 13, for the limited purposes of verification and determination of the claims of the respective Employees/Workmen and their treatment in the CIRP.

The admission of claims is based upon the claim forms, information, documents, records and other material presently available to the RP. It is pertinent to note that the books of account, employee-wise records, salary registers, attendance records, payroll data, leave records, statutory deductions, payment particulars, full and final settlement records and other relevant information of the Corporate Debtor have been made available only partially and are presently subject to verification, reconciliation and validation. Accordingly, the amounts reflected herein are provisional in nature and may, upon receipt of additional information, documents, records, confirmations or clarifications and upon completion of verification and reconciliation, be increased, reduced, modified, reclassified or rejected, in whole or in part.

The claim amounts may include, wherever applicable, salary/wages, bonus, incentives, leave encashment, gratuity, retrenchment compensation, notice pay, statutory dues and other employment-related entitlements. However, the inclusion of any such component in the List of Claims shall not constitute a final determination or acknowledgment of its legal or contractual entitlement, quantum or priority. Each such component shall remain subject to verification against the employment records, applicable employment/service terms, statutory provisions, books of account and other relevant documents.

In cases where claims are based upon orders, awards, settlements, labour court/industrial tribunal proceedings, statutory authorities or other judicial or quasi-judicial determinations, the same shall remain subject to verification of the underlying order, award or determination and its applicability, finality and enforceability against the Corporate Debtor. Any amount which is disputed, contingent, uncrystallised or otherwise subject to pending proceedings shall remain subject to further examination and the outcome of such proceedings.

The RP reserves the right, at any stage of the CIRP, to call for and obtain additional information, employment records, appointment letters, salary statements, payroll records, attendance records, statutory records, bank/payment statements, full and final settlement documents, confirmations, reconciliations, legal opinions, judicial orders or any other material considered necessary for verification and determination of the claims. The RP further reserves the right to revise, modify, enhance, reduce, reclassify or reject any claim, in whole or in part, upon completion of verification or upon receipt of any additional information, documents, evidence, judicial orders or other material relevant to such claim.

The admission of any claim shall not constitute an acknowledgment of liability by the Corporate Debtor, nor shall it constitute a final determination of the debt, quantum, employment-related entitlement, statutory dues, interest, compensation, damages, priority or any other component of the claim. The admission shall also not prejudice any defence, right, remedy or contention available to the Corporate Debtor, RP, Committee of Creditors or any other stakeholder under the IBC or applicable law.

The amounts reflected herein are solely for the purposes of the CIRP and shall remain subject to further verification, reconciliation and determination in accordance with the IBC, CIRP Regulations, applicable labour and employment laws, other applicable laws, judicial pronouncements and orders/directions of the Hon'ble Adjudicating Authority or any other competent forum.

Accordingly, every claim reflected in the List of Claims in respect of Employees/Workmen shall be treated as provisional and subject to further verification, reconciliation, modification and determination in accordance with law, and no amount reflected herein shall be treated as final or conclusive merely by reason of its inclusion in the List of Claims.

***Disclaimer**

The claims submitted by the Operational Creditors, other than Workmen, Employees and Government Authorities, have been collated and admitted on a provisional basis by the Resolution Professional ("RP") in discharge of the statutory functions under the Insolvency and Bankruptcy Code, 2016 ("Code/IBC") and the applicable provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), including Regulation 13, for the limited purposes of verification and determination of the claims of the respective Operational Creditors and their treatment in the CIRP.

The admission of claims is based upon the claim forms, invoices, agreements, purchase orders, work orders, statements of account, correspondence and other documents, records and information presently made available to the RP. It is pertinent to note that the books of account, vendor-wise ledgers, contract records, invoice records, payment particulars, confirmations, reconciliations and other relevant records of the Corporate Debtor have been made available only partially and are presently subject to verification and reconciliation. Accordingly, the amounts reflected herein are provisional in nature and may, upon receipt of additional information, documents, records, confirmations or clarifications and upon completion of verification and reconciliation, be increased, reduced, modified, reclassified or rejected, in whole or in part.

The inclusion of any amount in the List of Claims shall not constitute a final determination or acknowledgment of the existence, validity, enforceability or quantum of the underlying debt, nor shall it constitute acceptance of any particular component of the claim, including principal, contractual interest, delayed payment charges, penal interest, damages, compensation, costs, expenses or any other amount. Each such component shall remain subject to verification against the underlying contractual documents, invoices, work orders, purchase orders, delivery records, completion certificates, correspondence, books of account, payment records and other relevant evidence, as well as applicable law.

Where any claim is based upon contractual disputes, disputed invoices, defective or incomplete supplies/services, quality or performance issues, debit notes, credit notes, counterclaims, set-offs, mutual dealings, retention amounts, liquidated damages, disputed transactions or other unresolved commercial matters, the amount admitted shall remain subject to further examination, verification and reconciliation. Any claim or component thereof which is contingent, disputed, uncrystallised or subject to adjudication before any court, tribunal, arbitral forum, statutory authority or other competent forum shall similarly remain subject to the outcome of such proceedings and any order or determination passed therein.

The RP reserves the right, at any stage of the CIRP, to call for and obtain additional contracts, agreements, purchase orders, work orders, invoices, delivery challans, completion certificates, statements of account, confirmations, correspondence, bank/payment records, reconciliations, tax records, legal opinions, expert opinions, judicial orders or any other supporting documents or information considered necessary for verification and determination of the claims. The RP further reserves the right to revise, modify, enhance, reduce, reclassify or reject any claim, in whole or in part, upon completion of such verification or upon receipt of any additional information, documents, evidence, judicial orders or other material relevant to the claim.

The admission of any claim shall not constitute an acknowledgment of liability by the Corporate Debtor, nor shall it constitute a final determination of the debt, default, quantum, contractual interest, penal interest, damages, compensation, costs, charges, priority or any other component of the claim.
