TOTAL ASSETS	535,462.97	624,864.11	729,388.47	813,164.20

2 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 25 May, 2015.

3 There are no separate reportable segments pursuant to Accounting Standard AS-17 'Segment Reporting'. Hence no disclosure is required under AS-17.

4 The Consolidated Financial Results have been prepared in accordance with Accounting Standards AS-21 'Consolidated Financial Statements', AS-27 'Financial Reporting of Interests in Joint Ventures' and AS-23 'Accounting for Investments in Associates'.

5 Pursuant to an Arbitration Award dated 9 January, 2015 passed by the Hon'ble Sole Arbitrator in the matter of disputes between the Company and Chandigarh Housing Board (CHB) in respect of a residential cum commercial project (Prideasia) at Chandigarh and accepted by both the parties, the Company has surrendered the project to Chandigarh Housing Board. The loss of Rs. 46,971.24 lacs arising out of the said transaction has been written off and shown under 'Exceptional Items'.

6 Effective 1 April, 2014, the Company has reviewed and revised the useful life of fixed assets, generally in accordance with the provisions of Schedule II to the Companies Act, 2013 for the purpose of providing depreciation on its fixed assets. The carrying amount of fixed assets as on 1 April, 2014 is depreciated over the revised remaining useful life. The carrying amount of fixed assets with revised useful life as nil, has been charged to opening reserves as on 1 April, 2014 in accordance with transitional provision specified in Schedule II to the Companies Act, 2013. Further, to rationalize the method of computation of depreciation, the Company has changed the method of depreciation from Written Down Value (WDV) method to Straight Line Method (SLM) for all the fixed assets. The effect of change in method of depreciation from WDV to SLM has been applied retrospectively and the differential amount has been charged/credited to the Statement of Profit and Loss.

Consequent to the adoption of revised policy of depreciation, and in accordance with requirements of Accounting Standard 6 'Depreciation Accounting', the difference between accumulated depreciation as of 31 March, 2014 recomputed on SLM method as above and the corresponding accumulated depreciation in the books amounting to Rs. 867.89 lacs has been written back and credited to the Statement of Profit and Loss for the year ended 31 March, 2015. The carrying amount of fixed assets, whose revised remaining useful life is determined as nil as at 1 April, 2014 amounting to Rs. 40.93 Lacs (net of deferred tax of Rs. 21.09 Lacs) for standalone and Rs. 41.28 Lacs (net of deferred tax of Rs. 21.09 Lacs) for consolidated has been charged to the opening balance of 'Surplus in Statement of Profit and Loss'. Had the Company followed the earlier method of depreciation of fixed assets, the charge to the statement of Profit and Loss for the quarter and year ended March 31, 2015 would have been higher by Rs. 22.50 Lacs and Rs.90.00 Lacs respectively, with consequential impact on the net block of fixed assets and profit before tax.

7 Interest allocable to inventory of 'Projects under Progress' has been excluded from 'finance costs' and 'charges in inventories of finished goods and work-in-progress' for better presentation of results.

8 The figures for the quarter ended 31 March, 2015 and 31 March, 2014 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter.

9 Figures for the previous period/ year have been regrouped, wherever necessary, for the purpose of comparison.

For and on behalf of the Board

New Delhi
 25 May, 2015

Pradeep Kumar Jain
 Chairman
