LETTER TO SHAREHOLDERS

Dear Shareholders,

We take immense pleasure in sharing with you the performance of your Company and presenting the Annual Report for the Financial Year 2021-22. We are happy to report again a good performed FY 2021-22 and the Board of your Company has recommended a Final Dividend of 0.75 paisa (7.50%) per share for the FY2021-22.

We would like to state that your Company is progressing to achieve new milestones in its journey towards growth through total excellence. Pashupati Cotspin Limited has pursued business excellence through a passion and expansion project carried out successfully which would result in improved cost competitiveness and profitability.

We have undertaken several strategic initiatives to drive improvement across operating parameters and created a more efficient and sustainable business framework to successfully meet the challenges that arose due to the outbreak of the Covid-19 pandemic in the last few years. We believe that with proper planning on all fronts of the business we can overcome the adverse effects of this Covid-19 pandemic and took this opportunity to thank all our office and factory staff, workers, suppliers, buyers, business associates, bank, and other stakeholders to jointly contribute to face this pandemic situation.

Your Company is engaged in the processing of textiles since incorporation. Over the years we believe that we have established a strong customer base and good marketing setup. Further, our group has sufficient marketing expertise and a wide marketing network, which is and would be channelled for our business and future expansion, if any. We have dedicated divisions for marketing different types of products and for different geographical locations. The sales division and export division are responsible for the marketing of our products and fabrics. All the divisions have well-trained and adequate teams to handle daily activities and are supervised regularly.

To meet the need of the international market, we have carried out changes in our machinery and for that purpose, we stopped the machines for a certain period which caused for loss of production for a certain period of time and also interest loss, depreciation, etc., but such improvements in machines would definitely result in improvement of various parameters of the Company in coming years.

I would like to draw your attention to the fact that as our raw material is Cotton, and during the FY 2021-22, the fluctuation of cotton price caused an adverse impact on the profitability of the Company.

Your Company has now focused to give utmost priority to cost-cutting and also undertaken necessary steps to reduce per unit cost. Your Company has a clear vision that we have to take the maximum benefit of the forward Integration in our same compound.

We would like to assure you that we will continuously seek opportunities and make our best efforts to contribute to the growth and success of the organization.

I thank all valued shareholders of the Company for their confidence and trust and we assure that all efforts shall be put forth for achieving greater heights in the future and shareholders can look forward to the robust growth of our Company in the years to come.

We extend our sincere appreciation to our colleagues on the board for their wise and mature counsel for the smooth functioning of the Company. We would like to express our profound gratitude to all our stakeholders, our customers, business associates, employees, bankers, vendors, and shareholders who have reposed their trust in us and given us constant support.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

Being one of the major contributors to India's Gross Domestic Product (GDP), Textile Industry is always considered to be the sunrise sector. Even during the current global pandemic period, Industry was able to withstand and overcome various challenges. Signs of recovery are visible in the year 2021-22. Exports for textile products have exhibited an increase as compared to previous years. However, the recovery that was underway due to ebbing of second wave of pandemic encountered hurdles from a rapid surge in infections in the third wave of Omicron variant of Covid-19.

While India's textile and apparel trade with Russia and Ukraine is miniscule, inflationary pressures are expected on the textile industry as an outcome of Russia-Ukraine war. Oil and energy prices are expected to rise further. Prices of raw materials such as Raw cotton (Kapas), dyes and chemicals, indigenous as well as imported from European countries have increased.

The Government has announced ₹ 10,683 crore Production Linked Incentive (PLI) Scheme for Man-made Fibers ("MMF") and technical textiles, extending the incentive ranging from 7% to 15% based on incremental turnover for five years.

With effect from 1st January 2022, different slabs of GST applicable to MMF products have been removed and all textile goods except cotton and cotton yarn have been brought under 12% GST rate, thereby removing inverted tax structure, which had resulted in huge accumulation of input tax credit. These steps by the Government would greatly benefit the industry.

The Company is engaged in the business of processing of Kapas (raw cotton) by way of Ginning of cotton, spinning of cotton yarn and delineating Process. The products manufactured at our Company include Cotton bales, Cotton yarn and Black Cotton seeds (Delineate Seeds). By setting up of the Ginning and Spinning unit our Company cope up with the changes in the fashion consciousness, development in the cotton textile sector and synchronizing with the initiatives provided by the Central and the state Government.

OPPORTUNITY AND THREATS

India's man-made fiber (MMF) products are known for their workmanship, colours and durability. Globally, the textile trade is dominated by MMF. For India to increase its share in the global textile trade, the country will have to increase its competitiveness in MMF value chain, in terms of price as well as diversification in products. India's self sufficiency in raw materials across entire value chain and manufacturing capacity are factors favouring India over other countries. Government has announced many schemes such as PLI, Rebate of State and Central Taxes and levies (RoSCTL), the larger benefit of textile industry. Other measures include Technology Upgradation Fund Scheme(TUFS) and Scheme for Capacity Building in Textile Sector(SAMARTH) to train unskilled labour into skilled labour. Low productivity due to lack of modernisation and research and

development, volatile raw material prices, infrastructure bottlenecks, stringent environmental protocols may pose a threat to progress of MMF industry.

SEGMENTAL REVIEW AND ANALYSIS

Your Company continues to operate in one business segment only i.e. processing of Kapas (raw cotton) by way of Ginning of cotton, spinning of cotton yarn and delineating Process. Production at both units has been maintained and there was a sustained demand for yarn of all varieties. The efforts to keep costs under control continue with emphasis on increased productivity.

OUTLOOK

Post pandemic, demand for home textiles and knitted apparel has gone up. Consumption has increased for low cost and low maintenance MMF products due to hygiene consciousness and work from home culture thereby increasing the rise in demand for MMF for their manufacture.

Increased penetration of organized retail sector, growing population and rising income levels are likely to drive demand for textile product. It has been complemented by a growing young earning population, rising female work force which is exposed to changing tastes and fashion. More and more demand for fitness apparel, requirement of low cost and high-performance material for automotive and industrial use have increased the demand for synthetic and MMF products.

Limited cotton production, relatively high cotton prices and versatile applications of MMF are other contributors to increase in demand for MMF textiles.

The rapid deterioration of the global economic outlook following the pandemic and Russia-Ukraine war has severely impacted demand and margins. The major focus of the industry will be on cost cutting measures, improving productivity and quality and reduction in wastage.

RISK AND CONCERN

Major concern is rising costs of raw materials i.e. raw cotton(Kapas) and other input materials and consequently in prices of finished products. Due to Covid situation, there is increasing shift towards online business and price sensitive products are more in demand.

Indian exporters are at disadvantage due to discriminating duty treatment vis a vis Turkey, Bangladesh, Sri Lanka, Vietnam etc. in the EU and UK markets as India has failed to finalise Free Trade Agreements with these large importers of textile and apparels.

Textile industry in India is plagued with domestic issues including lack of skilled labour, inflexible labour laws, stringent environmental protocols, lack of modernization, infrastructure bottlenecks and a fragmented nature of the industry. Due to cash crunch and weak demand in the Indian and Export markets, it is becoming difficult to pass on the cost to end customer.

INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company's internal control systems and procedures commensurate with the size and nature of its operations. The Company has adequate system of Internal Controls to ensure that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly, financial and other data are reliable for preparing financial

information and other data and for maintaining accountability of assets. Internal Audit is conducted by independent Chartered Accountants, on quarterly basis. To maintain its objectivity and independence, the Internal Auditors report directly to the Audit Committee of the Board. The Audit Committee reviews the Internal Audit Reports and effectiveness of the Internal Control Systems. If required, the corrective actions are taken and the controls strengthened.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standard and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:-

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PASHUPATI COTSPIN LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.
