Key Operational Highlights for the Quarter

- Order book as on 30th June 2026 stood at ₹14,636 crore, providing strong revenue visibility across key infrastructure sectors.
- Subansiri Lower Hydropower Project reaches 1,000 MW operational capacity with commissioning of Unit 4 and commencement of concreting works for Unit 7.
- Kwar Hydropower Project Dam concrete works cross 50% completion.
- Construction begins at 1,125 MW Dorjilung Hydropower Project in Bhutan.
- Recognition received at EPC World Awards for Sela Tunnel Project and at Assocham Achievers Awards for Tunnel T 15 Project.
- Long-term credit rating has been upgraded from A- to A in June 2026, reflecting strengthened financial stability.

Commenting on the results, Ms. Kavita Shirvaikar, Managing Director, Patel Engineering Limited, said:

"Our financial performance demonstrates the continued benefits of disciplined project execution and prudent cost management. We remain focused on improving execution efficiency, maintaining healthy liquidity and further strengthening our core capabilities. These initiatives provide us with the flexibility to pursue quality growth opportunities while creating long-term value for all stakeholders."
