Subject: Request for Deletion of Incorrect Data Regarding Insider Trading

Dear Compliance Team,

We are writing to bring to your attention an issue related to the recent data uploaded concerning insider trading transactions on dated 16th November, 2024.

While generating the XML file from our Excel data, there was an inadvertent error in the classification of shares. Specifically, the data incorrectly reflects **ADR/GDR/FCCB** instead of **Equity Shares** in the relevant section. This misclassification occurred during the XML generation process and, as a result, has led to the submission of inaccurate data regarding insider trading transactions.

We kindly request that you delete the following mentioned incorrectly uploaded data from the system and allow us to resubmit the corrected XML file with the accurate classification.

Mrs. Palak Jain(KMP)	ADR/GDR/FCCB	15000 SHARES	SELL
-------------------------	--------------	--------------	------

Please let us know if any further steps are required from our end to facilitate this correction or if you need any additional information to process this request.
