Subject: Business update for quarter ended September 30, 2025

Dear Sir / Ma'am,

The Company is pleased to submit its business update for the quarter ended September 30, 2025.

The Company has concluded this quarter with a strong performance driven by strong consumer demand during the ongoing festive season, achieving standalone revenue growth of approximately 63%, compared to the corresponding quarter of the previous financial year.

Further, the company has successfully reduced its outstanding debt that was payable to its banks by approximately 23% during this quarter. This is in addition to the reduction of approximately 9% already done during the first quarter of this financial year and reduction of more than 50% that was already done in the previous financial year. This debt reduction is in line with the company's goal of becoming debt-free by the end of FY 2025-26.

During the quarter, the Company expanded its retail presence by opening a franchise-owned showroom in Pitampura, Delhi. This addition further strengthens PC Jeweller's footprint in the region and supports its strategy of balanced growth through a mix of company-owned and franchise showrooms.

Looking ahead, the Company is confident about building on its strong performance in the upcoming quarters and is focussed on reclaiming its leading market position, which it has held in the past.

The details provided above are provisional and subject to Limited Review by Statutory Auditor.

Kindly take the information on record.

Yours sincerely,
For **PC Jeweller Limited**
