Media Release

PECL strengthens order book with new order from South Korean Company

Order for Frame Engine, Tractor Component, worth USD 57K

Mohali, 21st November, 2025: Pritika Engineering Components Limited (NSE: PRITIKA), established player in casting, catering to OEMs within the Tractor and Commercial Vehicle segments, proudly announces that it has secured a significant order from a major South Korean Company.

The order, worth USD 57K (approximately INR 50.5 lacs), is for supply of Frame Engine, component for tractors. The client is a Korea-based giant in tractor manufacturing and other heavy machinery and electronic components.

This order further strengthens the overall order book and reflects the international reach of Pritika Group's products. The Company is confident in its ability to leverage its technology and manufacturing capabilities, to meet the evolving needs of its customers worldwide.

The raw Casting would be produced by LFC process at our subsidiary Meeta Castings Limited.

Management Comment:

Commenting on this development, Mr. Harpreet Singh Nibber, Managing Director, Pritika Engineering Components Limited said:

"We are excited to win a new order from an esteemed South Korean Company, to supply frame engine, component for tractors.

The client is a major player in tractor manufacturing and other heavy machinery & electronic components manufacturing sector.

We continue to strive to deliver top quality products based on technological innovation – which reflects in our international clientele. Our commitment to innovation and meeting customer expectations has driven our success and will continue to do so."
