Notes:

1. The Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench, had admitted the petition filed by an operational Creditor for initiating Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC) vide its Order dated March 23, 2018 and appointed Mr. Rajeev Mannadiar as the IRP. Pursuant to the said order of NCLT and in line with the provisions of IBC presently all the powers of the Board of Directors are exercised by the IRP during the tenure of appointment.

IRP took control of the management and operations of the Company w.e.f April 11, 2018. A Public announcement was made on April 13, 2018 and a Committee of Creditors (CoC) was formed on May 4, 2018 under Section 21 of the IBC. Pursuant to the order passed by the Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench on 6.08.2018 appointed Mr. Udayraj Patwardhan, as the Resolution Professional (RP), who took charge w.e.f. 09th Aug 2018 in place of CA Rajeev Mannadiar (IRP). Consequent to the resignation of all the Directors of the Company prior to the Order of NCLT, at present there are no members in the Board of Directors. Hence, the above results have been considered and signed by the RP for filing with the Stock Exchanges.

As the CIRP is currently in progress and Resolution Professional is running the Company as a going concern as stipulated by law. Financial statements have been prepared on 'going concern' basis.

In response to the 'Expression of Interest (EOI)' published on 15th June, 2018, inviting prospective Resolution Applicants to submit Resolution Plan for the Company, two entities viz., M/s. BSL Engineering Services DMCC, UAE., and M/s. RPMG Investment LLC, UAE., have submitted their EOI as on the last date of receipt of EOI, i.e., 07/07/2018.

In response to the second 'Expression of Interest' (EOI) published on 19th July, 2018, as per the decision of the Committee of Creditors (CoC) in their meeting held on 13th July, 2018, one more entity namely, M/s. GHV (India) Pvt. Ltd., Mumbai, has submitted its EOI as on the last date of receipt of EOI i.e. 2nd August, 2018.

- 2 The figure for the quarter ended March 31, 2018 are the balancing figures between audited figures in respect of full financial year ended 31st March 2018 and unaudited year to date figure up to December 31, 2017.
- 3 The Company is primarily engaged in the business of "Engineering, Procurement & Construction" and operates in a single business segment based on the nature of the products and services, the risks and returns etc. Accordingly, these financial results have been prepared for this single segment.
- 4 The Auditors of the Company have carried out "Limited Review" of the above financial results for the quarter ended 30th June, 2018.
- 5 The Company has adopted Ind AS 115 "Revenue from Contracts with Customers" w.e.f 1 April, 2018. The effect of adoption of Ind AS 115 is insignificant on these financial results.
- 6 The Auditors have commented on,

Auditors' Qualification	Company's Response
(a) In respect of certain suspended / delayed contracts, as of 31st March 2018, trade receivable of Rs. 275.82 lacs (net of mobilization advance and provisions of Rs. 3.34 lacs) (trade receivable as of 30th June 2017 and 31st March 2018 of Rs. 1,700 lacs and Rs. 330.70 lacs, respectively, net of mobilization advance and provisions of Rs. 2,934 lacs and Rs.3.34 lacs respectively as at 30th June 2017 and 31st March 2018) are doubtful of recovery and pending for confirmation/negotiation. We are unable to comment about the status of amount receivables / payables on the reported loss for the quarter and three months period ended 30th June 2018 and its corresponding impact on assets / liabilities as at that date. This matter was also qualified in Limited Review report for the quarter and year ended 31st March 2018 and quarter and three months ended 30th June 2017.	The Company is making various efforts to recover the outstanding Trade receivable and is hopeful of recovery. The reconciliation of accounts and negotiations are in progress.
b) Various claims submitted by the financial creditors, operational creditors, other creditors and employees of the Company to the Resolution Professional (RP) pursuant to the Insolvency and Bankruptcy Code, 2016 are currently under consideration/verification/reconciliation. Pending completion of exercise of final verification / reconciliation and admission and recognition of such claims by RP, we are unable to comment on the consequential impact, if any, on the reported loss for the quarter and three months period ended 30th June 2018 and its corresponding impact over reported loss for the quarter and related components of financial statements as on that date.	The Company is in the process of reconciling the accounts with the parties concerned. Accounting effect, if any, to the same would be made after completing the final reconciliation with the said creditors. The claims accepted by Resolution Professional may not be directly have an effect on the balances reflected in the books of accounts.

c) Balances of certain trade receivable, unbilled revenue, trade payables (including MSME) , secured loans (including banks) and unsecured loans , bank balances , current liabilities , other liabilities (including statutory dues and returns) and loan & advances (including from related parties) (read with para (ii) above) are subject to confirmation/reconciliation, where we are unable to comment on the same and its corresponding impact over reported loss for the quarter and related components of financial statements as on date.	Because of the CIRP many of the creditors have referred their claims as on the Insolvency commencement date, i.e. 23rd March, 2018 which can be construed as a balance confirmations. Wherever there is a difference between the books and the creditors claim, reconciliation work is under way. As far as the receivable is concerned the balances reflects mostly the certified invoices by the client concerned.
d) No provision against overdue Debtors outstanding for more than six months and unbilled revenue amounting to Rs.7821.92 lacs (net of mobilisation advances of Rs.1219.18 lacs) and Rs.1921.32 lacs respectively has been made which are doubtful for recovery considering non confirmation of outstanding balances , short closure of running projects, encashment of performance bank guarantee and demand raised for counter claim /liquidated damages by the parties (customers).	We are following up with all the parties for recovery/realisation of overdue amount and hopeful of recovery of balances.
e) Liability /provision against performance guarantee encashed by the certain parties amounting to Rs.900 lacs has not been provided for in the books, where the management is confident about settlement in its favour. (Read with note no. 10)	We are in process of initiating arbitration procedure / process in the matter of Bank guarantees (BG) encashed and hopeful of positive outcome in favour of the Company.
f) Certain expenses / liabilities/employee benefit expenses have been accounted for as approved by the management based on vouchers and for which contracts, supporting records and agreements could not be made available to the auditors for verification as the same are under process of compilation/update. As per the management expenses were incurred for business purposes only. Further, in respect of certain contract sites, the Company is in process of compiling / updating the records with respect to employees/labour, where we are unable to comment on the same and its corresponding impact over reported loss for the quarter.	In view of the liquidity constraints, many of the staffs at sites Offices and Head Offices have left their services of the company. This has resulted in delay in compiling information. However, the Company is in the process of taking steps for completing the reconciliation and compiling the records.
g) Regarding non provision against carry over Deferred tax assets as on 30th June 2018 of Rs. 5,991.31 lacs where company believes that sufficient future taxable income will be available against which the aforesaid deferred tax asset (net) can be realized and our inability to comment thereon.	The CIRP process is run as going concern. In case of any Resolution Applicant being successful, the Company will change hands as a going concern. Thus, it is expected that the Company would be in a position to avail set-off of tax losses against expected taxable profit in the future years.
h) Regarding delays in payment of certain statutory dues and non- submission /delay in filing of certain statutory returns (including PF, ESIC, TDS, GST etc.) and pending reconciliation between books and returns filed, where we are unable to comment on the impact of the same on loss for the quarter ended 30th June 2018 and state of affairs.	Due to liquidity constraints the Company could not pay some of the statutory dues. However, these are being paid on priority, depending upon the cash flow available from the projects from April 2018 onwards. Returns are also being filed as and when payments are made. Dues as at the Insolvency Commencement Date i.e., March 23, 2018 will be taken care of in the Resolution Plan. In case of GST, since there is outstanding liability in certain states prior to CIRP Process, the company is not able comply with statutory process for the current quarter.

i) Since all the directors including Company secretary have resigned ,and no quorum for conducting meetings of Board of Directors, Nomination and Remuneration Committee, Audit Committee, CSR Committee, etc., in compliance to the provisions of the Companies Act, 2013 and Stock Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is available. As required by the Companies Act, 2013, there is no woman director in the Company. Certain secretarial records are in the process of compilation and the same could not be made available to the auditors for their verification.	As all the directors have resigned and new directors can be appointed only by the shareholders at an AGM/EGM. At present there is no compliance officer hence required documents could not be prepared and submitted. As all the directors have resigned, hence the Company couldn't file the e-forms with the Registrar of Companies w.r.t. resignation of directors and company secretary, practicing company secretary including appointment and resignation of Chief Executive Officer. However , we are in process of updating required registers /forms which shall be submitted in due course.
j) Pending physical verification of property plant and equipment (PPE) and reconciliation of the same with the books & records, where we are unable to comment on the same .	The IRP/Resolution Professional has carried out the verification process. However no findings has been given on its impact on the books of accounts.
k) Certain pending/ delayed projects estimated costs to completion are based upon management estimates and where the management is confident that there will not be any material impact on completion of work in future.	Most of the project are on the verge of completion and adequate margins are available to absorb any contingency . In view of this management do not expect any material variation in final completion of project compared to estimated cost of completion.
l) Regarding the matter stated in para (a) to (k) above and otherwise internal controls needs to be further strengthened to be commensurate with the size of the company and nature of its business.	The Company has an internal control system in existence and is in the process of further strengthening the same.
m) Regarding preparation of the financial statements on 'going concern' basis notwithstanding the fact that the Company is having negative net worth, continuous losses, lower level of operations effecting cash flows and going concern, short closure in certain projects , current liabilities are in excess of current assets , Company is under Corporate Insolvency Resolution Process and default in repayment of loan instalments and payment of due interest, both on term loans and working capital. These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.	Net worth is not a singular measure of deciding as a 'going concern'. The Company has a good brand name in the industry and during its last 40 years has already established its position as a reliable EPC contractor. Considering the same, it is expected that it will, in due course of time, be in a position to receive a viable Resolution Plan for the approval of CoC and NCLT. Currently the Company is executing few contracts which are able to run on its own by using the cash inflows from these projects. In view of the above, the Company has prepared its accounts on a going concern basis.

- 7 Revenue for the quarter includes Rs.2,288.87 lacs in respect of certain contracts work which have not been certified by the parties/customers. Management is confident that there would not be any material variation on final billing / acceptance of work by the customers and amount is fully realisable.
- 8 Due to continuous losses and liquidity constraints, the Company has not been able to make payments, including due instalments of borrowings, and outstanding interest obligations, both in respect of term loans and working capital facilities. Accordingly, there were delays/ defaults in repayment. There are certain overdue amounts as at 30th June 2018. All banks have classified the accounts as Non Performing Assets (NPA) and some banks have given loan recall notice for the outstanding loan amount.
- 9 During the financial year 2017-18 Mr. Manoj Kumar Gaur was appointed as Managing Director for a period of 3 years w.e.f. November 1, 2017, subject to the approval of shareholders but resigned w.e.f. February 14, 2018. However, prior approval of secured creditors has not been obtained before his appointment as per the provisions of Section II of Part II of Schedule V of the Companies Act, 2013, although intimation to the banks have been made regarding his appointment.

- 10 Subsequent to the reporting date, two of the customers have encashed Performance Bank Guarantee (PBG) of Rs. 814.74 lacs. The company's management /RP are in the process of discussion with the customers and also initiated the proceedings through NCLT to recover performance bank Guarantee amount which in the opinion of the Company erroneously encashed. The company's management /RP feel that it has creditable case in its favour through Order from NCLT/Arbitration in case of said PBG. In view of stated facts, no adjustments have been carried out in the accompanying statement/results.
- 11 In view of continuous losses no Deferred tax assets (net) has been recognised in the current period/quarter.
- 12 The previous period figures have been regrouped/rearranged / recast to make them comparable with that of current period wherever necessary.

Qualified Opinion

2. In our opinion and to the best of our information and according to the explanations given to us, except possible effect of our observation reported in para 3 above, these quarterly financial results:
- (i) have been presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; and SEBI circular CIR/CFD/FAC/62/2016 dated July 5, 2016 in this regard; and
 - (ii) give a true and fair view of the loss including other comprehensive income and other financial information for the quarter and three months period ended 30th June 2018.

3. Emphasis of matter

We draw attention to the followings:

- i) Pending necessary approvals of the secured creditors for the payment of managerial remuneration to the erstwhile Managing Director (ceased w.e.f. February 14, 2018) as stated in note no. 9 of accompanying statement of unaudited financial results ; and

- ii) Revenue for the quarter includes Rs.2,288.87 lacs , as stated in note no.7 of accompanying statements in respect of certain contracts work which have not been certified by the parties/customers. Management is confident that there would not be any material variation on final billing / acceptance of work by the customers and amount is fully realisable.

Our opinion is not modified in respect of these matters.

Material uncertainty related to Going Concern

- i) As stated in Note no. 6(m) of the accompanying statement of unaudited financial results regarding preparation of the financial statements on 'going concern' basis notwithstanding the fact that the Company is having negative net worth, continuous losses, lower level of operations effecting cash flows and going concern, short closure in certain projects , current liabilities are in excess of current assets and default in repayment of loan installments and payment of due interest, both on term loans and working capital. These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. As company is under corporate insolvency resolution process and final decision on resolution process is pending before the NCLT. The management and the RP have continued its practice to prepare financial statements on going concern basis.

The above matter was also Reported in our audit report for the quarter and year ended 31st March 2018.
