Pennar Industries and its Subsidiary receive orders worth Rs. 102 crores in the month of November

Hyderabad, India, **2nd December 2014**: Pennar Industries Ltd and its subsidiary Pennar Engineered Building Systems (PEBS Pennar) have announced receipt of orders worth Rs. 102 crores. The companies received orders from **Kannur International Airport, L & T, Holtech Asia Pvt Ltd, Rane Limited, Renaissance Infrastructure, Azure Power, Xylem France, Integral Coach Factory** among others**.**

Engineered Building Systems:

1. Won a major structural steel order from Kannur International Airport, Kerala.
2. Received order from Holtech Asia Pvt Ltd for its factory building.
3. Received order from Renaissance Infrastructure for a warehouse building.
4. Received order from Rane Limited for its factory building.

General Engineering & Infrastructure:

1. Received order for solar module mounting system for 40 MW solar power plant from Azure Power.
2. Received orders from Integral Coach Factory for coach sub components.
3. Received repeat export order from Xylem France.
4. Bagged major sheet pile order from L & T.

Commenting on the development, Aditya Rao, Vice Chairman and Managing Director, Pennar Industries, said "We are pleased to announce receipt of orders worth Rs 102 Crs. As the macro economic conditions are slowly improving we are able to book more orders. All our business units have recorded higher order inflow. We are expecting to further improve our order book in next few months".
