

PEBS Pennar bags orders worth 25 crores

PEBS Pennar, a subsidiary of the Hyderabad based Pennar Industries Limited, announces the receipt of orders worth Rs 25 crores from Schindler India Pvt. Ltd. and Kallam Spinning Mills Ltd. PEBS Pennar is a leading player in the pre-engineered steel buildings sector based at Hyderabad. It is involved in the design, manufacture, supply and installation of pre engineered steel buildings.

PEBS Pennar is offering its premium product “ **PRIMEBUILD** ”, which is a standing seam 100% leak proof Double-Lok® roofing system and other premium features for both the orders.

M/s Schindler India Pvt. Ltd.

Shindler India is a part of Switzerland based Schindler Group and is the largest supplier of escalators and second largest manufacturer of elevators worldwide. This project is coming up at Chakan, near Pune in Maharashtra in an area of 26310 Sqm. The workshop will be used for the manufacturing of elevators. The order is expected to be completed in 6 months.

M/s Kallam Spinning Mills Ltd.

The order entails a total of five buildings to be used as weaving unit and supporting warehouses for Kallam's proposed facility close to Guntur, Andhra Pradesh. These pre- engineered steel buildings will come up in an area of 24000 Sqm and shall cater to the requirements of their proposed green field project. The order is expected to be completed in 6 months.
