Subject: Clarification to the query regarding submission of Financial Results

Dear Sir/ Madam,

This has a reference to your mail regarding the query related to financial results. We would like to clarify that the company is engaged in the following business activities:

- Installation and Maintenance mainly temperature control equipment and Air conditioner.
- Work Contracts- either outsource Air conditioning equipment or the customer has such equipment and our job is to install, commission and maintain (during guarantee period or thereafter).
- Other activity which company carries out is giving on Hire Air conditioning machinery/ equipments and maintain too. In such cases company buy Air conditioning machines and install at customer places and earn Rent from them, company does not part with the ownership of the Air conditioning machines/ equipments.

Out of the above activities activity carried out as per (c) above is considered as separate segment because the activity is structurally different from the activity as per (a) and (b) above. Activities as per (c) above are altogether different operational and business risk. It is separately identifiable activity and can be identified as reportable segment.

However the Income arising out of the activities of (c) above is less than 10% of the gross revenue. Therefore, the company is not mandatorily required to report separately for this segment since conditions laid down in standard AS 17 as well Ind AS 108 as the case may be are not satisfied.

Kindly take the same on your record.

Thanking You.

Yours faithfully,
For **PERFECT INFRAENGINEERS LIMITED**

Mrs. Poonam Maurya
Company Secretary (ACS: A41916)
