**Dr. Anand Deshpande, Founder, Chairman and Managing Director, Persistent:**

*“Our approach has consistently been to build capabilities ahead of demand. Over the past 36 years, we have invested in strengthening our engineering depth and data foundations, which are now finding greater application as AI adoption scales across enterprises. These investments are leading to deeper client relationships and a more meaningful role in how our clients are reshaping their businesses in the context of AI. We will continue to build and adapt our capabilities as the market evolves, with the same long-term discipline.”*

**Sandeep Kalra, Chief Executive Officer and Executive Director, Persistent:**

*“We delivered 17.4% year-on-year revenue growth in FY26, with an EBIT margin of 15.6%. I am pleased to share that we have declared a full-year dividend of ₹40 per share. Q4 FY26 marked our 24<sup>th</sup> sequential quarter of growth, reflecting the consistency of our execution and alignment to client demand in a market being shaped by AI. As AI adoption accelerates, our AI-first strategy is strengthening our operating model and improving the quality and scale of delivery across the business.*

*Our growth momentum continues to be recognized in the market, with Brand Finance naming Persistent the fastest-growing IT services brand globally in 2026.*

*We are deeply grateful to our employees for their unwavering commitment, and to our clients, partners and shareholders for their continued trust and belief, enabling our progress.”*
