Persistent Systems Expands its Presence in Goa

Goa, India – May 30, 2014: Persistent Systems (BSE & NSE: PERSISTENT), the leader in software product and development services today announced the opening of a new office building adjacent to the existing one in Verna, Goa. The new building is fully constructed and measures 3000 square meters. This doubles the existing area and the combined facility will accommodate 700 developers. Keeping with the tradition of naming buildings after prominent Indian figures, Persistent announced that the two buildings will be named Bhaskar and Charak. Bhaskar is a well-known mathematician from the Seventh Century and Charak is known for his contributions to Ayurveda. The facility boasts of environmentally-responsible and resource-efficient design and architecture.

At the inauguration, Dr. Anand Deshpande, Chairman and Managing Director, Persistent Systems said, "We have been in Goa since 2005 and have over 400 employees working on next generation technology areas viz. social, mobile, analytics, and cloud. We are very pleased with the work ethics and the capabilities of the Goa team and with the new building we will be in a position to expand rapidly in Goa."

About Persistent Systems:

Persistent Systems (BSE & NSE: PERSISTENT) is a global company specializing in software product and technology services. For over two decades, Persistent has consistently been selected as the trusted innovation partner for the world's largest technology brands, leading enterprises and pioneering start-ups. Persistent has a global team of more than 7,800 employees worldwide including offices and delivery centers in North America, Europe, and Asia. Persistent develops best-in-class solutions in key next-generation technology areas including Analytics, Big Data, Cloud Computing, Mobility and Social, for the independent software vendors (ISVs), telecommunications and media, life sciences and healthcare, and financial services verticals.
