Sub: Name change of wholly owned Subsidiary of PFC Consulting Limited (a wholly owned subsidiary of Power Finance Corporation Limited)- WAHIPORA AND SALLAR TRANSMISSION LIMITED

Madam/Sir,

This is to inform that the name of the following Special Purpose Vehicle (SPV) Company, a wholly owned subsidiary of PFC Consulting Limited (PFCCL) (a wholly owned subsidiary of Power Finance Corporation Limited (PFC), has been changed as follows:

Sr. No.	Name of the SPV	Name Changed
1.	WAHIPORA AND SALLAR TRANSMISSION LIMITED	WAHIPORA- BAGHTHALI TRANSMISSION LIMITED

PFC Consulting Limited (a wholly owned subsidiary of Power Finance Corporation Limited) has been nominated as the 'Bid Process Coordinator' (BPC) for selection of developer through tariff based competitive bidding for the Independent Transmission Projects (ITPs) by Ministry of Power, GoI.

As per the provisions of tariff based competitive bidding Guidelines issued by the Ministry of Power, the BPC has to prepare the project profile and initiate the process of land acquisition and forest clearance, if required. For these activities, One Special Purpose Vehicle (SPV) is required to be incorporated which will take up various preparatory activities of the transmission project e.g. survey and preparation of report, initialization of the process of acquisition of land and also initiate the process of seeking forest clearance, if required.

The SPV has to be transferred to the Successful Bidder selected through International Competitive Bidding Process under Tariff Based Competitive Bidding Guidelines.

Jammu and Kashmir Power Transmission Corporation Limited (JKPTCL) vide Letter of Award (LoA) dated July 23, 2024, had appointed PFC Consulting Limited (PFCCL) as the Bid Process Coordinator (BPC) for selection of the bidder as the Transmission Service Provider (TSP) through the Tariff- Based Competitive Bidding (TBCB) route for the transmission scheme, "Execution of System Strengthening/up-gradation Works and Intra-State Transmission System Projects." Accordingly, PFCCL incorporated a SPV namely "WAHIPORA AND SALLAR TRANSMISSION LIMITED" on November 11, 2024, for the purpose of obtaining the necessary clearances and permits, as required. Further, in the meeting held between the officials of JKPTCL and PFCCL on

May 21, 2026, the matter related to restructuring of the aforesaid transmission scheme from a single package to multiple packages was approved.

Consequently, as per the Minutes of aforesaid Meeting circulated vide letter no. MD/JKPTCL/To/284-86 dated June 04, 2026, and Letter No. MD/JKPTCL/TO/446-47 dated July 08, 2026, JKPTCL has appointed PFC Consulting Limited (PFCCL) as the Bid Process Coordinator (BPC) for the purpose of re-initiating the bid process for the development of project as mentioned below under through the Tariff-Based Competitive Bidding (TBCB) route:

"Construction of Grid Sub Station at Wahipora, Kashmir and allied Transmission System and Construction of Grid Sub Station at Baghthali, Kathua along with LILO of 220 kV S/C Sarna-Hiranagar Line and 220 kV D/C line from 400/220 kV Jatwal (PGCIL) Substation"

Accordingly, instead of incorporating a new SPV, the name of "WAHIPORA AND SALLAR TRANSMISSION LIMITED" has been changed to "WAHIPORA-BAGHTHALI TRANSMISSION LIMITED" to develop the aforementioned transmission scheme. This SPV will be transferred to the successful bidder after the completion of the bidding process. The successful bidder selected through the bidding process would develop the project.

This is for your kind information and dissemination.
