**Sub.: Intimation pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements), Regulation, 2015.**

Dear Sir/Ma'am,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, this is to inform you that, PGEL Gas Suppliers has communicated regarding a shortage of Gas under its Gas Sale and Purchase Agreement. The said communication is due to the constraints faced by certain vessels arising from maritime navigation restrictions in light of the recent ongoing war in the Middle East region impacting the gas supply scenario, the availability of gas has become severely constrained.

Consequently, due to supply restrictions imposed by the suppliers, the allocation of LPG quantities to PGEL under the said contract has been constrained with effect from March 09, 2026.

PGEL is currently assessing the situation with respect to any supply curtailment that may need to be imposed on its downstream customers. Notwithstanding the above, PGEL is exploring alternative sources/supplies for unaffected production.

At this stage, the potential impact of the ongoing shortage situation cannot be quantified. The Company is closely monitoring developments and will continue to keep the stock exchanges informed of any material updates

This is for your information and record please.
