Independent Auditor's Review Report on Unaudited Standalone Financial Results for the Half Year Ended 30 September 2025

To the Board of Directors of Phantom Digital Effects Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Phantom Digital Effects Limited** ("the Company") for the half year ended 30 September 2025 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" ("AS 25"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters

5. We draw attention to the internal control function of the Company relating to customer and vendor acceptance, credit evaluation, and the establishment of customer credit limits for sales, as well as vendor selection for purchases. Timely compliance with statutory and regulatory requirements or to maintain proper books of account is not sufficient. In our view, there is a scope for improvement in overall Internal Control function. Our Conclusion is not modified in respect of this matter.
