some Railways fail to carry out two audits in a year, which has been viewed seriously by the Board," a circular dated November 26, 2025, addressed to the General Managers of all 18 railway zones, said.

The circular also provided details of Inter Railway Safety Audit Inspections for 2026, along with the schedule and nominations.

For instance, Central Zone will carry out inspections regarding procedural lapses in West Central Zone in January–February 2026 and July–August 2026. Similarly, the Eastern zone will audit operations of East Central in March–April 2026 and September–October 2026.

"Railways are advised to first submit their previous Audit Report and Action taken Report, if pending, preferably before carrying out inspection, as per the revised nomination," it said, adding that those zones which have failed to conduct their inspection should give reasons for the same.

The Board advised the zonal railway to focus on procedural lapses rather than general inspection while carrying out the audit.

The Inter-Railway Safety Audit is undertaken twice a year with an aim to improve safety standards. —PTI
