ANNEXURE

Material Exceptional Item

During recent periods, content consumption patterns have shifted, with audiences increasingly favouring original, high-volume, and cost-efficient content on OTT platforms. This shift has led to reduced demand and monetization potential for older film libraries. In addition, digital platforms and satellite broadcasters have revised their content acquisition strategies, adopting more selective curation approaches and assigning lower commercial valuations to legacy titles. The increased availability of content including oversupply of older movie contents, consolidation among broadcasters and OTT platforms, and tighter content acquisition budgets have further adversely impacted pricing and renewal opportunities for older movie rights.

During the quarter, the Company entered into a licensing agreement with Shemaroo Entertainment Limited for the global broadcasting and streaming rights of 18 titles from its content library for 11 years, to enable timely monetisation, for a consideration. Revenue from the said agreement has been recognised in accordance with Ind AS 115 – Revenue from Contracts with Customers.

Pursuant to the above transaction and in accordance with Ind AS 2 – Inventories and the Company’s accounting policy, content inventory is carried at the lower of cost and net realisable value. During the quarter, the Company undertook a comprehensive re-assessment of the carrying value of its content library, taking into consideration the current licensing arrangement, revised estimates of expected future revenues from the relevant titles as well as other titles forming part of the content library, and an external independent valuation report obtained for this purpose.

Based on such re-assessment, the net realisable value of certain content titles was determined to be lower than their carrying amount. Accordingly, the Company has recognised a write-down of Rs 1,756.09 lakh in the Standalone Statement of Profit and Loss and Rs 1,750.86 lakh in the Consolidated Statement of Profit and Loss for the quarter ended December 31, 2025.

Considering the significance of the write-down, it is considered material and has therefore been disclosed separately as an “Exceptional Item” in the financial results for the quarter ended December 31, 2025.

Further, a corresponding reversal of deferred tax liability amounting to Rs 442.01 lakh in the Standalone Statement of Profit and Loss and Rs 440.69 lakh in the Consolidated Statement of Profit and Loss has been recognised under tax expense.

The aforesaid exceptional item has resulted in a corresponding impact on the Company’s profit before tax and profit after tax for the quarter ended December 31, 2025.

The aforesaid exceptional item does not have any impact on cash flows of the Company and it does not have any continuing impact on the Company’s regular operations going forward.

Notes:

- The above unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on February 12, 2025.
- The Company has already received an award of ₹ 3.52 crore plus interest of ₹ 35 lakh in its favour in the arbitration filed against White Feather Films (Proprietor Sanjay Gupta). White Feather Films has gone in appeal against the award and was directed to deposit an amount of ₹ 3 Crore by the Bombay High Court, which they failed to do. The Company has filed a petition for execution of the arbitration award. The Bombay High Court has restrained Sanjay Gupta from disposing of, encumbering, alienating, transferring and parting with the possession of or creating any third-party rights or interest in his 3 properties in Pune and Khairata valued at ₹ 12 crore. The advance of ₹ 3.16 crore therefore is considered as fully recoverable.
- The Company during the year 2025, had initiated proceedings for recovery of an amount of ₹ 1.5 crore advanced to Saboo Films Pvt Ltd and Bharat Film Works against film rights, along with interest @ 18% p.a., totalling ₹ 2.47 crore. On October 31, 2025, the City Civil Court, Mumbai pronounced its judgment, directing Saboo Films Pvt Ltd (Defendant No. 1) to pay ₹ 2.47 crore plus interest @ 18% p.a. from the date of filing the suit, i.e., March 22, 2025. The Company has filed an appeal against the order on December 23, 2025, in the Bombay High Court on the ground that the decree is only against Defendant No 1 and the decree exonerates Mrs Rita Rahul Rawal (Prop. Bharat Film Works) (Defendant No 2). Thus, by challenging the order, the Company has sought recovery of money from Defendant Nos 1 and 2 jointly and severally. The management considers the same is fully recoverable and hence no provision is made.
- During the quarter ended December 31, 2025, the Company entered into a licensing agreement with Shermanco Entertainment Limited for the global broadcasting rights and streaming rights of certain titles from its content library for a specified period. Revenue from the aforesaid agreement has been recognised in accordance with Ind AS 115 - Revenue from Contracts with Customers. Based on the above licensing arrangement, revised estimates of expected future revenues and an external independent valuation report, the Company has recognised a write-down of ₹ 1,756.09 lakh in the Standalone Statement of Profit and Loss and ₹ 1,750.86 lakh in the Consolidated Statement of Profit and Loss which is in accordance with Ind AS 2 Inventories and the Company's accounting policy of carrying inventory at the lower of cost and net realisable value. The said write down has been disclosed as an 'Exceptional Item' for inventory, with a corresponding reversal of deferred tax liability of ₹ 442.01 lakhs in the Standalone Statement of Profit and Loss and ₹ 440.69 lakhs in the Consolidated Statement of Profit and Loss recognised under tax expense. The exceptional item does not have any impact on cash flows of the Company; and does not have any continuing impact on the Company's regular operations going forward.
- There is no change in the liability in respect of gratuity arising from the New Labour Codes, 2025, which became effective from November 21, 2025. The Company continues to monitor the finalisation of the Central and State Rules and any clarifications issued by the Government and will provide the appropriate accounting impact, as necessary, based on such developments.
- The Company and one subsidiary PNC Digital Limited operate in a single segment: content. The other subsidiary PNC Wellness Limited operates in the wellness segment.
- The figures for the corresponding previous periods/ last year have been regrouped and reclassified, wherever necessary, to make them comparable.
- The statements of unaudited standalone and consolidated financial results have been prepared in accordance with the recognition and measurement principles provided in the Indian Accounting Standard (Ind AS) 34 on 'Interim Financial Reporting', the provisions of the Companies Act, 2013 (the Act), as applicable and guidelines issued by the Securities and Exchange Board of India (SEBI) under SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
4. This Statement includes the results of the following entities ("subsidiaries"):

2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention relating to:

- a. Note 2 which states about an award of Rs 3.52 crores plus interest of Rs 35 lakhs received by the Holding Company in its favour in the arbitration case filed against White Feather Films (Proprietor Sanjay Gupta). White Feather Films has gone in appeal against the above said award. The Bombay High Court has restrained the proprietor from disposing of, encumbering, alienating, transferring and parting with the possession of or creating any third-party rights or interest on his properties which are valued at Rs 12 crores. Proceedings are ongoing and in view of the same outstanding of Rs. 3.18 crores are considered as fully recoverable and consequently there is no provision made of any amount there against.
- b. Note 3 which states about proceedings initiated by the Holding Company for recovery of Rs 1.5 crores. On October 31, 2025, the City Civil Court, Mumbai pronounced its judgment directing defendant no. 1 to make the payment. Holding Company has filed an appeal in Bombay High Court on 23rd December, 2025 challenging the order and the Holding Company has sought recovery of money from Defendant Nos 1 and 2 jointly and severally. Management considers the same as good and fully recoverable and consequently there is no provision made of any amount there against for the reasons stated in the said note.
- c. Note 4, which describes the basis for the estimation of the Net Realisable Value (NRV) of the Holding Company's inventory (content) and its effect in the Statement of Profit and Loss. As detailed in the said note, the Holding Company has recognized a write-down of Rs. 1,750.86 lakhs to bring the carrying value of these rights to their estimated NRV and consequent reversal of deferred tax liability of Rs.440.69 lakhs. This adjustment, being material and significant in nature, has been disclosed as an "Exceptional Item".

Our opinion is not modified in respect of the above matters.
