Corrigendum cum Addendum to the DRHP dated July 10, 2025 (the "Corrigendum cum Addendum") – Notice to Investors

This Corrigendum cum Addendum is with reference to the DRHP filed by Orient Cables (India) Limited (the "Company") with SEBI and the Stock Exchanges in relation to the Offer. In this regard, potential Bidders please note the following:

1. The details of risk factor no. 14 on page 38-39 of the DRHP should be read as below:

14. Our Company has not registered the logos  and  which are used by us for certain business activities. Any failure to protect or enforce our rights to own or use our logos, trademarks and identities could have an adverse effect on our business and competitive business.

Our Company does not have a registered trademark under the Trade Marks Act, 1999 for our logos  and  , which are used by us for certain business activities. While our Company has made applications dated June 28, 2025,

June 3, 2025 and December 28, 2024, respectively for the registration of our logos, the application dated December 28, 2024 for the logo  , has been opposed by two parties. The oppositions are currently pending adjudication before the Trademark Registry. While we will continue to endeavour to take steps to protect our intellectual property, we cannot assure you that we will be successful in overcoming such opposition proceedings or our efforts to protect our intellectual property may be adequate and that no third party may infringe or copy our registered trademarks. For further details, see "Outstanding Litigation and Material Developments" on page 363. Further, we may not be able to detect any unauthorized use or take appropriate and timely steps to enforce or protect our trademarks, which may adversely affect our goodwill, business, financial condition, results of operations, cash flows and prospects. Any of the foregoing could have an adverse effect on our business and competitive position. For further details of logos and trademarks, see "Government and Other Approvals – Intellectual Property" on page 371.

2. Pursuant to certain factual updates, a new risk factor shall be added, which shall be read as below:

**Our brand and reputation are important to our business. Any adverse publicity or intellectual property dispute relating to the "ORIENT" brand may adversely affect our business, results of operations, prospects and cash flows.**

Although our business is primarily B2B where customer relationships, product quality, product reliability and service standards are typically more significant drivers of business than brand recall, our "ORIENT" brand (for which trademark applications have been filed by our Company), nevertheless contributes to market visibility and industry recognition. Any adverse publicity to our brand may have an impact on our customer perception and ability to expand our business relationships.

While we undertake efforts to maintain our brand reputation and comply with the intellectual property rights of others, we may be susceptible to claims from third parties asserting infringement and other related claims. For instance, Orient Electric Limited ("Orient Electric") has filed an application against our Company before the Regional Director (Northern Region), MCA ("Regional Director"), directing our Company to change its corporate name. Subsequently, our Company has filed a writ petition seeking a writ of prohibition against the Regional Director from proceeding with application filed by Orient Electric and filed a civil suit against Orient Electric seeking a permanent injunction restraining Orient Electric and all persons acting on their behalf from manufacturing, selling, advertising, promoting or using the marks ORIENT, ORIENT ELECTRIC, ORIENT WIRES, ORIENT WIRES & CABLES, or any other mark identical or deceptively similar to the Company's well-known brand "ORIENT CABLES" in relation to wires, cables or any allied goods in any manner that may cause passing off, dilution or unfair competition. Thereafter, Orient Electric has filed a counter civil suit against the Company seeking a permanent injunction restraining the Company and all persons acting on their behalf from manufacturing, selling, offering for sale, marketing, advertising or otherwise dealing in any goods under the impugned mark "ORIENT" or any identical or deceptively similar variations thereof. For further details, see "Outstanding Litigation and Material Developments – Litigation filed by our Company – Material Civil Litigation" and "Outstanding Litigation and Material Developments – Litigation filed against our Company – Material Civil Litigation" on page 364, respectively. Further, our application dated December 28, 2024 for the logo  , has been opposed by two parties and is currently pending adjudication. For details of logos and trademarks, see "Government and Other Approvals – Intellectual Property" on page 371. Any adverse findings in infringement proceedings or inability to protect or enforce our intellectual property could harm our brand, disrupt operations, and negatively affect our business, financial condition, and reputation.

3. The details in the section titled "Outstanding Litigation and Material Developments" on page 363 of the DRHP are updated for the following outstanding proceedings initiated post filing of the DRHP:

**Litigation filed by our Company**
