Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on Antidumping Duty Administrative Review by the U.S. Department of Commerce

Dear Sir/Madam,

In compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to update the exchanges and the investing public of a positive development regarding the export of Quartz Surface Products to the United States.

The US Importer and other domestic producers of Quartz Surface Products in the United States have officially withdrawn their request for the Antidumping Duty Administrative Review conducted by the U.S. Department of Commerce (USDOC). This withdrawal pertains specifically to the review period spanning from June 1, 2025, to May 31, 2026, concerning exporters from India.

Consequent to this withdrawal, the administrative review for the aforementioned period against Indian exporters, including the Company Pokarna Engineered Stone Limited (wholly owned subsidiary of Pokarna Limited), stands rescinded. Accordingly, the antidumping duty assessment rates for the Company's exports during this period will remain unaffected by this review cycle.

This development provides greater regulatory certainty for export operations of our subsidiary company to the U.S. market.

We request you to take the above information on your record.

Thanking You,
Yours Faithfully,
For Pokarna Limited
