REVENUE-SHARING TERMS EASED, REVENUE-SHARE BIDS REMOVED

# Govt: Bidding for deepwater oil, gas blocks every month

SAURAV ANAND
New Delhi , November 5

**INDIA WILL OPEN** monthly windows for companies seeking deepwater and ultra-deepwater oil and gas exploration blocks, replacing the existing three-window system with 12 opportunities annually, as the government moves to accelerate offshore exploration and attract investment in domestic hydrocarbon production.

The Directorate General of Hydrocarbons (DGH) has also proposed major changes to bidding and revenue-sharing terms, including removing revenue-share quotations from bid evaluation and relaxing financial requirements for companies partnering with ONGC and Oil India.

Under the special Open Acreage Licensing Policy (OALP), a 21-day expression of interest (EoI) window will open on the first of every month. Each window will have its own evaluation, bidding and award process running simultaneously.

"Bidders need not wait for a single annual round," DGH said in its advance notice to prospective bidders.

The changes form part of the government's ₹84,084-crore Samudra Manthan National Offshore Exploration Scheme, approved in July to accelerate exploration in India's deepwater and ultra-deepwater areas.

## ACCELERATING EXPLORATION

- A 21-day expression of interest (EoI) window will open on the first of every month
- Each window will have its own evaluation, bidding and award process running simultaneously
- Companies will be selected on their committed work programmes rather than revenue-share quotations
- Under Samudra Manthan, govt has earmarked **₹43,200 cr** for drilling 60 deepwater and ultra-deepwater exploratory wells

A major change concerns the evaluation of exploration bids. Companies will be selected on their committed work programmes rather than revenue-share quotations. The originator of a block will receive 10 marks, while demonstrated deepwater or ultra-deepwater drilling experience will carry another 10 marks.

For Category-I deepwater blocks, revenue-sharing obligations will also be relaxed. During the first five years of production, the government will receive a share only when windfall gains accrue. From the sixth year, the applicable share will be the higher of 5% of revenue or the prescribed windfall gain slab.

The existing bidding framework required Category-I bidders to quote a government revenue share, which carried 30 marks out of 100.

DGH has also eased eligibility requirements for exploration partnerships. Where ONGC or Oil India demonstrates the entire required net worth as operator, the financial capacity of its partner will not be separately assessed, provided the partner is an eligible international oil company or foreign national oil company with a net worth of at least $10 billion.

Such foreign partners will also be allowed to transfer their interests to an Indian national oil company already party to the contract without prior government approval.

Companies meeting net-worth requirements independently will no longer need parent-company financial and performance guarantees.

Bidders can also furnish a single revolving bid bond of $2 million covering all special OALP bids, instead of submitting separate bonds. The bond must be an electronic bank guarantee or an IRDAI-regulated insurance surety bond.

Under Samudra Manthan, ₹43,200 crore has been earmarked for drilling 60 deepwater and ultra-deepwater exploratory wells, with government support covering up to 50% of eligible drilling costs, subject to a ceiling of Rs 675 crore per well.

DGH said the detailed bidding notice, modalities and model revenue-sharing contract would be published subsequently.

"This notice is for information only," it said, clarifying that the final published terms would prevail.

# UIDAI onboards 300 offline verification seeking entities

PRESS TRUST OF INDIA
New Delhi, November 5

**THE UNIQUE IDENTIFICATION** Authority of India (UIDAI) has onboarded 300 'offline verification-seeking entities,' which is expected to reduce the collection of physical Aadhaar copies as ID proof.

The UIDAI said the move marks a significant step towards expanding the use of Aadhaar-based offline verification across sectors ranging from hotels, hospitality, healthcare, education, events, gig economy, and consumer-facing players.

"Complementing the growing adoption of the Aadhaar App among residents, UIDAI has onboarded 300 Offline Verification Seeking Entities (OVSEs), since its roll-out in January," UIDAI said in a statement.

Several entities keep a photocopy of Aadhaar in their record as proof of verification, which is not permitted under the Aadhaar Act.

# Dhanteras may see gold, silver sales rising 20-30%

PRESS TRUST OF INDIA
New Delhi, November 5

**JEWELLERS EXPECT A** 20-30% rise in gold and silver sales in value terms on Dhanteras on Friday, despite a sharp correction in prices from their January highs.

In volume terms, however, gold sales are likely to remain flat year-on-year, with consumers favouring lightweight jewellery and small-ticket purchases. Dhanteras is considered the most auspicious day in the Hindu calendar to buy precious metals.

"In value terms, sales are likely to grow by 20-30%," All India Gem and Jewellery Domestic Council (GJC) Chairman Rajesh Rokde told *PTI*. "We are expecting flat growth in terms of volume compared to last year."

Rokde said the festival's timing could also help. Dhanteras at the start of the month, on November 6 this year, consumers will have salaries in hand. Still, high inflation driven by geopolitical tensions and drought-like conditions in Maharashtra could weigh on sentiment.

### Prices off peak, but above last year

Gold in the national capital fell 19% to ₹1,48,800 per 10 gram (24-carat, inclusive of taxes) on Thursday, from the record ₹1,83,000 on January 29, 2026. Prices remain well above the ₹1,32,400 seen on last year's Dhanteras.

Silver has corrected 52% to ₹1,94,500 per kg from its January 29 peak of ₹4,04,500, but is still higher than the ₹1,70,000 per kg on Dhanteras 2025.

### Silver draws young buyers

Rokde said silver continues to attract younger consumers for its affordability and wider range of designs. He expects silver volumes to be flat, with value sales up about 30%.

GJC Vice Chairman Avinash Gupta was more optimistic on silver, saying the industry expects a 10% year-on-year volume increase after a near-50% price correction.

He said consumers are buying both metals for weddings and investment, picking gold for the main ceremony and silver jewellery and articles for other rituals.

## FESTIVE PURCHASES

- In volume terms, gold sales are likely to remain flat year-on-year
- Gold in New Delhi fell 19% to ₹1,48,800 per 10 gram (24-carat) on Thursday, from the record ₹1,83,000 on January 29
- Industry expects a 10% y-o-y volume increase in silver after a near-50% price correction
- Silver has corrected 52% to ₹1,94,500 per kg from its January 29 peak of ₹4,04,500

# Shashi Ruia Memorial Golf championship to make debut in Mumbai

**MUMBAI WILL HOST** two major professional golf tournaments within a month, with the inaugural Shri Shashi Ruia Memorial Golf Championship scheduled to be held at Willingdon Sports Club from January 12 to 15.

The tournament, carrying a prize purse of ₹2 crore, has been included in the DP World Professional Golf Tour of India (PGTI) calendar following a five-year partnership between the tour and Essar Foundation.

The championship will honour late Essar co-founder Shashi Ruia, who had a lifelong passion for golf. A Pro-Am event will be held on January 10.

The tournament will follow the ₹1 crore CIDCO Open, scheduled at Kharghar Valley Golf Course in Navi Mumbai from December 15 to 18. —PTI

# Gold loan stress doubles in 5 months in August: Cibil

PRESS TRUST OF INDIA
Mumbai, November 5

**STRESS IN THE** gold loan outstanding for financiers doubled to 0.3% in August from the March levels this year, a credit information company said on Thursday.

The report comes amid voices of concern on gold loan portfolios expressed by some lenders lately, Transunion Cibil said the assets overdue for over 90 days have doubled to 0.30% in August when compared with March this year.

Over the past few years, financiers have shown a very high preference for extending gold loans amid the growth in prices of the precious metal.

The Cibil report said the gold assets for financiers have tripled to ₹22.5 lakh crore in the three years to August 2026 and added that 55 million people, or one in every five credit active persons, is paying a gold loan.

The report said there have been signs of moderation lately, with the number of loans disbursed declining 15% on-year to 37 million.

However, the sanction amounts were 12% higher at ₹8.2 lakh crore, indicating that the ticket sizes are going up.

It said the sanctioned amount of origination for loans above ₹2.5 lakh grew 19% in the June quarter.

"Latest quarter shows signs of moderation, with lower disbursement activity and little growth in unique borrowers. This suggests recent expansion is being driven more by larger loan amounts and repeat borrowing, than by the addition of new borrowers," the report said.

With the shift to higher ticket sizes, the average ticket size for the industry has now gone to ₹4.1 lakh, the report said.

Non-bank lenders have driven growth over the past three years and remain the largest lender segment by origination volume, the report said, adding that recent shifts in market share point to a more competitive gold loan landscape.

State-run banks have strengthened their position, increasing their share of origination volume to 37% while accounting for nearly half of origination value.

# EC announces electoral roll revision in six states, UTs

**THE ELECTION COMMISSION** on Thursday announced the annual Special Summary Revision of electoral rolls in Arunachal Pradesh, Chandigarh, Dadra and Nagar Haveli, and Daman and Diu, Mizoram, Odisha and Sikkim.

The poll roll revision exercise seeks to enrol eligible voters, particularly young and first-time electors, and facilitate advance applications from those who will become eligible on April 1, July 1 and October 1, 2027.

The draft electoral rolls will be published on November 30. Final publication of electoral rolls will take place on January 21, 2027.

Deletion applications must undergo field verification in cases involving repeated or multiple entries. Electoral registration officers must personally cross-check deletions exceeding two per cent of electors at a polling station or where the same objector files more than five objections.

Furnishing Aadhaar details in Forms 6 and 8 will remain voluntary. No application for enrolment can be rejected, nor can an existing entry be deleted. —PTI
