Dear Sir,

We refer to query on not mentioning Balancing Figure note in the Financial Results submitted for the financial year 2023-24.

In response to your query, we wish to inform you that we have given a separate note on balancing figure in Note No.3 of the Financial Results submitted for the quarter and financial year ended 31 March 2024.

Note no.3 of the Financial Results submitted for the financial year 2023-24 reads as follows:

*“Figures for the last quarter are the difference between the audited figures for the full financial year and the published figures for nine months period upto the third quarter of relevant financial year”*

Further, the reference to Note 3 is also cited at the top of relevant column.

Hope we have clarified your query.

Kindly take on record our above reply and acknowledge receipt.

Thanking you

Yours faithfully  
For Ponni Sugars (Erode) Limited
