Awarded Rs. 296 Crore Mumbai Monorail Operations & Maintenance Contract

5-Year O&M Contract for 19.54 Km Corridor from Sant Gadge Maharaj Chowk to Chembur

Hyderabad, April 10, 2026: Power Mech Projects Limited (“PMPL” or the “Company”) one of the leading industrial engineering, construction and services companies in the Power and Infrastructure sectors, has secured an Operations & Maintenance (O&M) contract from Maha Mumbai Metro Operation Corporation Limited (MMMOCL) for the Mumbai Monorail.

The contract covers O&M of the 19.54 Km route and 17 stations, from Sant Gadge Maharaj Chowk to Chembur in Mumbai for a period of 5 years. The award represents a total contract value of Rs. 296 Crore (excluding GST).

The Mumbai Monorail, in service since 2014, is India’s only straddle monorail system. Under this contract, PMPL will undertake comprehensive O&M services which include operating new advanced rolling stock and the new and upgraded Communication Based Train Control (CBTC) signaling system.

Commenting on the award, Mr. Sajja Kishore Babu, Chairman and Managing Director said:

“I am delighted to announce that PMPL has secured a major and strategically significant new award for the Operations and Maintenance of the Mumbai Monorail. This contract signifies PMPL’s entry into the urban mobility sector and reinforces our position as a prominent O&M company in the nation’s rapidly expanding infrastructure sectors. This project strengthens PMPL’s strategic fit by creating a powerful synergy between our core industrial O&M competencies and the specialized demands of urban transit.

PMPL, with extensive experience in the O&M of power plants, is committed to deploying qualified personnel and delivering the highest standards of services across the Mumbai Monorail. We remain focused on efficient and on-time performance, along with enhanced safety and comfort for passengers. With improving connectivity to other metro, suburban and railway lines, PMPL’s operations will be servicing a greater number of commuters over time.

This award reflects the confidence placed in PMPL’s technical expertise, execution discipline and safety-first culture. Urban transit O&M demands 24x7 readiness, high reliability and strict compliance, areas where PMPL has consistently delivered. We remain committed to supporting MMOCL in enhancing service reliability and passenger experience through a smooth transition process.”

About Power Mech Projects Limited:

Power Mech Projects Limited is among the leading project and infrastructure construction companies in India, and a leading plant operation and maintenance (O&M) service provider based in Hyderabad with a global presence. Established in 1999, the Company has built a strong niche across a wide spectrum of services spanning power, non-power and infrastructure sectors, including Engineering, Procurement, Construction, Erection, Testing and Commissioning of main plant and Balance of Plant, along with O&M, repairs, overhauling, renovation and modernization of power plants and related civil works. With major operations in India, the Company has also expanded internationally and is present in more than ten countries.

Over the last fifteen years, the Company has diversified its portfolio to strengthen the balance between power and non-power businesses, expanding into infrastructure segments such as Railways, Water Projects, Roads, Mining Development-cum-Operation, Cross Country Pipelines, Steel Plants, Material Handling & Manufacturing and Renewables. Leveraging its deep O&M expertise, the Company has emerged as the largest O&M player in the country and a service provider of choice. Entering its third decade of operations, the Company continues to align its business model with the opportunities created under the National Infrastructure Pipeline (NIP), maximizing the benefits of large-scale sectoral investments.
