Zensar Technologies Positioned in the 2016 Gartner Magic Quadrant for Managed Mobility Services

Zensar recognized as one of 14 Managed Mobility Services providers evaluated by Gartner

Westborough, MA, December 8, 2016: Zensar Technologies, a leading provider of digital solutions, software and infrastructure services, announced today it has been positioned by Gartner, Inc. in the Niche Players quadrant of the 2016 Magic Quadrant for Managed Mobility Services, Worldwide [G00294111] authored by Gartner analysts Katja Ruud, Leif-Olof Wallin and Eric Goodness.

According to Gartner, 'Managed mobility services (MMS) encompass the IT and business process services provided by external service providers (ESPs) required to plan, procure, provision, activate, manage and support mobile devices, mobile network services, related mobile management systems, mobile applications and application stores.'

"We believe being included in the Gartner Magic Quadrant for Managed Mobility Services, Worldwide reinforces our commitment to new technologies and customer centricity. At Zensar, our value led customer centricity enables our customers embark on a successful transformation to becoming a next-gen digital workplace. Our portfolio of mobility and cloud solutions empowers clients realize *Return on Digital™*. As a company, we are well on our way to becoming a 100% digital enterprise ourselves." said ***Sandeep Kishore, CEO and Managing Director, Zensar Technologies***

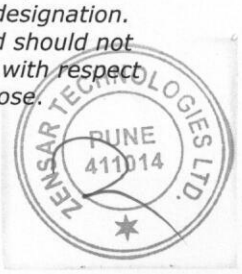

Pinaki Kar, President and Head, Infrastructure Management Services & Cloud Business, Zensar Technologies stated, "We are proud to be recognized by Gartner for our Managed Mobility Services, which form a key component of our Digital Workplace portfolio. We feel our inclusion in this Magic Quadrant exemplifies Zensar's consistent investment in managed mobility and digital workplace services as well as our commitment to bringing clients real time data to enable business innovation."

Ankit Ghosh, Senior Vice President, Global Head IMS & Cloud Practice, Zensar Technologies commented, "Our customers are at the center of all our initiatives and solutions. We have integrated our experience across industries to design managed mobility solutions that provide visible outcomes. Our customers benefit from an increase in end-user productivity to make informed business decisions that drive growth."

Zensar's Managed Mobility Services help leading global organizations develop and securely implement their mobility solution roadmaps as part of their digital transformation journey. **Zensar' s Digital Workplace Services**, powered by The Vinci Intelligent Managed Services Platform, provides 360 degree visibility into mobile end user productivity, mobile application performance and overall mobile device health.
