Independent Auditor's Limited Review Report on Quarterly Unaudited Standalone Financial Results of the company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors of
Prabha Energy Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Prabha Energy Limited** ("the company") for the quarter ended June 30, 2026 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of interim Financial information Performed by the independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ("ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the Ind As 34, prescribed under section 133 of the Act and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters

5. We draw attention to Note No 4 of the unaudited financial results, which describes the accounting treatment of expenditure incurred on wells in the NK block that are currently under the testing phase. As stated in the said note, in accordance with Ind AS 106 and the ICAI Guidance Note on Accounting for Oil and Gas Producing Activities, the expenditure incurred on such wells has been capitalized, and depletion will commence once the reserves are established and approved as proved and developed. Further, the sales generated during the testing phase have been recognized as revenue in the Statement of Profit and Loss for the quarter.

Our conclusion is not modified in respect of this matter.
