Subject: Reply to Clarification sought on Price Movement

This is with reference to your communication dated April 9, 2026, seeking clarification on the recent significant movement in the price of the equity shares of Pranik Logistics Limited.

We would like to inform you that the Company has made timely disclosures to NSE Emerge regarding all events and information which, to its best knowledge and belief, have a bearing on the operations and performance of the Company, including price-sensitive information, as required under Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable laws.

Further, there is no information or event, including any impending announcement, which has not been disclosed to the Stock Exchange and which could have a bearing on the price or volume behavior of the Company's securities.

It may also be noted that since the shares of the Company are listed on the NSE Emerge (SME Platform), where trading is lot-based and less frequent compared to the main board, even limited trades can cause significant volatility in price due to lower liquidity.

The recent movement in the share price appears to be market driven and may be the result of investor perception, overall market sentiment, or other external factors beyond the Company's control.

As a responsible listed entity, the Company remains committed to complying with all applicable provisions of the SEBI (LODR) Regulations and will continue to promptly disclose all material events and information to the Stock Exchange, as and when they arise.

Thanking you,

Yours faithfully,

For **Pranik Logistics Limited**
(Formerly known as *Pranik Logistics Private Limited*)
