Independent Auditor's Limited Review Report on Unaudited financial results of Praxis Home Retail Limited for the quarter ended June 30, 2026, pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 (as amended)

To the Board of Directors of Praxis Home Retail Limited

1. We have reviewed the accompanying statement of unaudited financial results of **Praxis Home Retail Limited** ('the Company') for the quarter ended June 30, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of the Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Material Uncertainty Related to Going Concern

4. We draw attention to Note 4 to the Statement, which indicates that the Company has incurred a cash loss of ₹894.52 lakhs during the quarter ended June 30, 2026 and, as of that date, the Company's net worth is negative. Further, the Company's current liabilities exceeded its current assets by ₹6,910.97 lakhs. The Company has also received a notice under the Insolvency and Bankruptcy Code, 2016 from an operational creditor. These conditions, along with other matters as set forth in the aforesaid note, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the Statement of the Company have been prepared on a going concern basis based on management's assessment of the Company's ability to meet its obligations.

   Our conclusion is not modified in respect of this matter.

Conclusion

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other matter

6. Attention is drawn to the fact that the figures for the quarter ended March 31, 2026 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of the previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not modified in respect of the above matter.

Further, these financial results also have been prepared in accordance with the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

2 The Company's business activity falls within a single primary business segment of "retail" and there are no separate reportable segments as per Ind AS 108 "Operating Segments". Company's operations are only confined in India.

3 Exceptional item for the quarter and year ended March 31, 2026 comprises of:
Provision for ECL created towards security deposit of ₹10,100 lakhs receivable by the Company from a related party (refer note 6 a) net off waiver of inter-corporate deposits of ₹ 8,527.61 lakhs towards principal and ₹ 278.97 lakhs towards accrued interest thereon extended by six related parties and ₹ 678.00 lakhs towards principal and ₹ 55.42 lakhs towards accrued interest extended by a non related party.

4 The Company has incurred a cash loss of ₹ 894.52 lakhs for the quarter ended June 30, 2026 and the net worth is negative amounting to ₹8,817.97 Lakhs. The Company is committed to improve its operational efficiency to boost sales, reduce cost and to explore various possible options to raise the funds. This is expected to bring financial stability and improve the net worth enabling the Company to meet all obligations. Accordingly, the financial results of the Company have been prepared on a going concern basis.

5 9% Non-Cumulative Redeemable Preference Shares of ₹ 100/- each ("NCRPs") aggregating to ₹630 lakhs held by Future Enterprises Limited ("FEL") were due for redemption on December 8, 2022. As per the provisions of Section 55 of the Companies Act, 2013, read with the relevant rules made thereunder, preference shares can be redeemed only out of (i) profits available for distribution as dividend in terms of Section 123 of the said Act, or (ii) the proceeds of a fresh issue of shares made specifically for the purpose of such redemption. The Company has not made any fresh issue of shares for the purpose of redemption. Accordingly, the NCRPs could not be redeemed on their due date/ as on date and continue to be disclosed as unredeemed preference share capital in the financial statements of the Company until their redemption.

6 (a) During FY 2025-26, the Company reassessed the recoverability of the security deposit of ₹10,100 lakhs recoverable from Future Enterprises Limited (FEL) in view of developments in the ongoing CIRP and recognised a full Expected Credit Loss (ECL) in accordance with Ind AS 109.
(b) The Resolution Professional ("RP") of the said FEL has filed an Interlocutory Application (IA) in Company Petition (IB) No.513/NCLT/MB/2022 on January 9, 2025, before the National Company Law Tribunal, Mumbai bench (NCLT) under the IBC, 2016 against, amongst others, the Promoter of the Company and the Company. In the said IA, the RP has, inter alia, claimed the lease rental amounting to ₹ 4,577.35 lakhs from the Company for the in-store retail infra-assets leased by the Lessor to the Company. The said IA is challenged on the grounds that the RP has relied upon the unauthenticated, unsigned and incomplete Transaction Audit report (TAR). The Company has filed limited affidavit challenging the maintainability of the Application on the preliminary ground that the draft TAR which forms the sole basis of the Application, is undated, unsigned and therefore, incomplete, defective, and wholly unreliable. Till the time the claim is not substantiated, it is considered as contingent liability. The advocate for the RP submitted that they have filed Additional Affidavit to place on record the final TAR. However, the same is yet to be served upon the Company. The matter is pending for hearing. The Company shall continue to take appropriate steps as per legal advise.

7 The Promoter of the Company, vide the request letter dated June 09, 2025, sought reclassification of shareholding from the "Promoter" category to the "Public" category along with the persons and entities acting in concert with Promoter. This request was subsequently confirmed by the resolution professional of Future Corporate Resources Private Limited through the letter dated July 11, 2025. The Board of Directors of the Company approved the said reclassification on July 14, 2025, in accordance with the provisions of Regulation 31A of the SEBI Listing Regulations, which governs the conditions and process for reclassification of promoters as public shareholders. Approval of the stock exchanges in respect of the said reclassification is currently awaited, and the Company is in the process of collating and submitting the requisite documents to the stock exchanges at the earliest.
