TRIGYN TECHNOLOGIES LTD. APPRAISED AT CMMI LEVEL 5

March 22, 2018, Mumbai: Trigyn Technologies Ltd. (Trigyn) today announced that it has been appraised at level 5 of the CMMI Institute's Capability Maturity Model Integration (CMMI)®. The appraisal was performed by KPMG.

CMMI is a capability improvement framework that provides organizations with the essential elements of effective processes that ultimately improve their performance.

An appraisal at maturity level 5 indicates that the organization is performing at an "optimizing" level. At this level, an organization continually improves its processes based on a quantitative understanding of its business objectives and performance needs. The organization uses a quantitative approach to understand the variation inherent in the process and the causes of process outcomes.

Attaining CMMI L5 further endorses Trigyn's Core Values which are as follows:

1. Commitment to Excellence in Delivery and showcasing creativity by integrating business and technology, providing value to the client.
2. Transparency, within the company as well as with our clients, promoting honesty, openness and good corporate governance.
3. Embody a spirit of unity, aptitude for taking on challenges and collaborate effectively, exceeding client expectations and the organizational objectives.

Closing the capability gap and in our effort to strive toward continual improvement, we remain committed to provide world class solutions and services that exceed customer expectations.

About CMMI® Institute

CMMI Institute (CMMIInstitute.com) is the global leader in the advancement of best practices in people, process, and technology. The Institute provides the tools and support for organizations to benchmark their capabilities and build maturity by comparing their operations to best practices and identifying performance gaps. For over 25 years, thousands of high-performing organizations in a variety of industries, including aerospace, finance, health services, software, defence, transportation, and telecommunications, have earned a CMMI maturity level rating and proved they are capable business partners and suppliers.
