**Dear Sir/Madam,**

**Sub: Disclosure under Regulation 30- Intimation regarding disruption in our Supply Chain, Incoming and Outgoing Import/Export Shipments due to Middle East conflict**

We would like to inform you that the intensifying conflict in the Middle East has begun to impact some of our domestic and overseas suppliers. Consequently, we are observing rising inflationary pressures across our supply chain.

Our export consignments to the Middle East have also been affected. To address this, we are currently re-routing shipments and establishing alternate logistics arrangements. Please be advised that these changes may result in additional shipping costs and extended lead times.

While Company is diligently taking steps to monitor and mitigate these challenges, unforeseen risks and unavoidable circumstances may cause short-term fluctuations in the cost and availability of certain inputs.

This is for your kind information and records.

Kindly acknowledge and oblige
