PRESS RELEASE

Samir Shah, CEO, Aurionpro delivered the keynote on 'Cyber Security for Digital Business' at NASSCOM-DSCI Annual Information Security Summit 2016 (AISS)

ISLA™ Malware Isolation Appliance launched in India

Mumbai, 15th December, 2016,

Aurionpro Solutions Ltd. (NSE: AURIONPRO) (BSE: 532668) today informed the stock exchange that its dedicated subsidiary for Enterprise Security, Cyberinc – An Aurionpro Company, was a gold sponsor at the NASSCOM-DSCI Annual Information Security Summit (AISS), 2016. Aurionpro CEO, Samir Shah delivered a keynote address on 'Cyber Security for Digital Business' held on 14th December 2016 in Gurgaon, NCR. He launched ISLA™ its industry leading Malware Isolation Appliance in India. In his keynote address, Samir Shah, CEO, Aurionpro shared his perspective on harnessing the power of Digital Economy with a 'security-first' approach. With the growing threats posed by Web based malware attacks and limitations of the traditional detection-based technologies.

ISLA™ is an industry leading innovation that leverages the path breaking Isolation Technology to help enterprises prevent all web-based malware from entering their IT perimeter. ISLA™ helps protect against sophisticated malware attacks, by assuming that all web content is bad, and therefore all of it must be isolated – with no ability to interact with secure networks, applications, or systems with no change in end-user experience.

About Aurionpro

Aurionpro Solutions (NSE: AURIONPRO) (BSE: 532668) is a global technology solutions leader that helps enterprises accelerate their digital innovation, securely and efficiently. It combines core domain expertise, thought leadership and service excellence in providing comprehensive IP driven solutions in Enterprise Security, Digital and Banking.

In September 2016, it launched Cyberinc, a dedicated subsidiary for Enterprise Security by merging the newly acquired Spikes Security with its Enterprise Security Division. Employing more than 1,300 domain and technology experts across North America, Asia and Europe, Aurionpro has delivered solutions for Fortune 500, global corporations across 5 continents and 22 countries. Aurionpro has been consistently recognized amongst the top 100 technology solutions providers for Financial Services companies.
