L&T Construction Wins Orders Valued ₹ 1672 Crores

Mumbai, March 15, 2016: The Construction arm of Larsen & Toubro Limited has won orders worth **₹1672 crores** across its various Businesses.

Buildings & Factories Business

The business has bagged new orders worth **₹ 967 crores**.

It bagged an order from UP Avas Vikas Parisad for the engineering, procurement and construction of a multi-storied residential project in Lucknow. The scope involves civil, structural, mechanical, electrical, plumbing and finishes.

The business received another turnkey order from a leading developer in Mumbai for the construction of a multi-storied residential building and retail space. The scope involves civil, structural, mechanical, electrical, plumbing and finishes.

Power Transmission & Distribution Business

The business has bagged new orders worth **₹ 580 crores** in the international markets.

The business has secured a breakthrough EPC order in Ethiopia from the Ethiopian Electric Power for the construction a 400/230/15 kV substation and three 230/15 kV substations at various locations. These substations will be critical in improving the energy infrastructure of the country. The project is funded by the French Development Agency.

PT&D has also received an order in South East Asia from a reputed customer for the establishment of a high-voltage substation which will be executed on an engineering, procurement and construction basis.

The two orders auger well for PT&D which has been looking to expand its footprint across newer geographies.

Additional orders worth**₹ 125 crores** have also been received from ongoing jobs of L&T Construction's **Water & Effluent Treatment Business.**
