a) Segment revenues are directly attributable to the respective reportable segments. Since disaggregated cost data at the segment level is not separately maintained, total allocable costs have been apportioned to each reportable segment in proportion to its share of total segment revenue. Management is of the view that this basis provides a reasonable and systematic approximation of cost incurrence across segments.

b) Assets and liabilities used in the business are not identified to any of the reportable segments as these are used interchangeably between different segments. The Management believes that it is currently not practical to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

Limited Review Report on the Unaudited Standalone Financial Results of PRESSTONIC ENGINEERING LIMITED for the half-year ended 30th September 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of
PRESSTONIC ENGINEERING LIMITED

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **PRESSTONIC ENGINEERING LIMITED** (hereinafter referred to as "the Company") for the half-year ended 30th September 2026 ("the Statement") being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" ("AS 25"), prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
