Dear Sir/Madam,

Sub: Compliance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Symbol: PRESSTONIC

We are pleased to inform you that M/s. Presstonic Engineering Limited has received a prestigious order from M/s. BEML Limited, Bengaluru on 22nd April, 2026 against PO No. CR01/RM2/5200002193/0. This order is for the High-Speed Rail Project for the supply of Specialized Aluminium Cable Ducts in accordance with the technical specifications and terms outlined in the Purchase Order. The total order value is ₹ 95,00,000/- (Rupees Ninety-Five Lakh Only) (without value added tax).

This win represents a defining milestone as we participate in India's first High Speed Rail initiative placing the Company at the forefront of the country's next-generation rail infrastructure development. It underscores our strategic intent to build a scalable and sustainable presence in the Bullet Train Space, which is expected to see significant investments in the coming years.

Our continued success in marquee and first-of-its-kind projects highlights our credibility as a trusted supplier for mission-critical applications. We are the proud contributors to the Vande Bharat Sleeper Express during its initial rollout, and now this latest High Speed Rail order further validates our capability to consistently deliver in technologically advanced and high-performance environments.

With increasing government focus on rail modernization, high-speed corridors, and indigenization, we see a strong and expanding pipeline of opportunities over the medium to long term. Our ability to deliver state-of-the-art products along with a proven execution track record and our engineering capabilities-makes us the preferred supplier for reputed Rail OEM's. This positions our company strategically very well to capitalize this growth cycle.

Also, our recent order wins for the entire metro interiors reinforces our position as a turnkey one stop solution provider for metro OEM's, increasing the Company's leverage for order booking.
