Prime Cable reports record Q1 FY27 revenue, surpassing H1 FY26 performance as existing capacity reaches peak utilization

Delhi, India - July 06, 2026: Prime Cable Industries Limited ("the Company"), a leading manufacturer of wires and cables, today reported its business update for Q1 FY27¹, delivering record quarterly revenue supported by strong execution, healthy order inflows, and sustained demand from power transmission and distribution projects. The industry continues to benefit from ongoing investments in power transmission infrastructure, renewable energy evacuation, and distribution network upgrades across India.

Key business highlights:

- Reported record **quarterly revenue of ₹93.2 crore in Q1 FY27¹**, registering a **169% year-on-year growth** compared with ₹34.6 crore in Q1 FY26
 - **Q1 FY27 revenue exceeded H1 FY26 revenue**, reflecting sharp acceleration in execution, sustained demand, and peak utilization of the existing manufacturing capacity
- Order book² stood at ₹210.0 crore as on June 30, 2026, providing healthy revenue visibility, with execution expected over the next **4-6** months
- Received **BIS certification for aluminum stranded alloy conductors** up to 604 sq. mm, **enabling participation in higher-capacity transmission projects** and **expanding the addressable market**
- **Capacity expansion remains on schedule for commissioning by the end of H1 FY27** and is expected to significantly increase production capacity, supporting execution of the growing order pipeline
- **Collected 85% of trade receivables outstanding** as of March 31, 2026, demonstrating efficient working capital management and healthy cash conversion

FY27 outlook:

- Backed by a strong Q1 FY27 performance and a healthy order book, the company remains **on track to achieve its FY27 revenue guidance**

1. Revenue numbers presented above are provisional and unaudited and are subject to audit. | 2. Order book value is presented on a basic value basis (excluding GST)
