Subject: Press Release – Inauguration of New Medium-Voltage (MV) Cable Manufacturing Facility at Ghiloth, Rajasthan

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations, 2015"), we hereby submit the Press Release regarding the inauguration of Prime Cable Industries Limited's new Medium Voltage (MV) cable manufacturing facility at Ghiloth, Rajasthan.

This commissioning marks an important milestone in the Company's strategy to move up the value chain through higher-value cable offerings while expanding its manufacturing capabilities to address growing infrastructure demand. Key highlights from the enclosed press release include:

• **Facility & Revenue Potential**: The newly inaugurated Ghiloth facility carries an initial peak normalized annual revenue potential of ₹150 crores (expected to contribute ₹30–35 crores in FY27), with an ongoing expansion phase over the next four months projected to increase peak normalized annual revenue potential to ₹250 crores.

• **Order Book & Growth Visibility**: The Company has strengthened its MV order book to ₹87 crores (within an overall order book of ₹312 crores) and expects total normalized revenue to grow from ₹370 crores in FY27 to ₹560 crores in FY28.

Prime Cable inaugurates new medium-voltage cable manufacturing facility at Ghiloth; Strengthens focus on higher-value products

Delhi, India | November 29, 2026: Prime Cable Industries Limited ("Prime Cable" or "the Company"), a manufacturer of wires and cables catering to the power transmission, distribution and consumption segments, has inaugurated its new Medium Voltage (MV) cable manufacturing facility at Ghiloth, Rajasthan. The commissioning marks an important milestone in the Company's strategy to move up the value chain through higher-value cable offerings while expanding its manufacturing capabilities to address growing infrastructure demand.

Moving up the value chain through medium-voltage expansion:

- **Inaugurated a new MV cable manufacturing facility** at Ghiloth, Rajasthan, with **an initial peak normalized[1] annual revenue potential of ₹150 crores**. The facility is expected to contribute ₹30-35 crores in normalized[1] revenue in FY27 as it progresses through its initial ramp-up phase, with an objective of reaching peak monthly normalized[1] revenue of ₹12 crores by March '27
- The Company is **undertaking a further phase of expansion over next four months**, which is expected to **increase the facility's peak normalized[1] annual revenue potential to ₹250 crores**
- **Strengthened its MV order book to ₹87 crores**, including a recent order win of ₹19 crores, providing strong visibility for the ramp-up of the new facility. The Company's overall order book stood at ₹312 crores, providing strong execution visibility
- **Enhanced technical and customer qualification capabilities**, securing NABL accreditation for its in-house laboratory to test cables up to 33 kV, along with multiple type-test certifications and customer product approvals. No additional certifications, approvals or audits are expected before commercial production at the new facility

1. Normalized revenue based on March 2026 commodity prices

Expanding capacity and strengthening growth visibility:

- **The Company is targeting MV cables to contribute 25% of FY27 normalized[1] revenue and 50% in FY28, reflecting its increasing focus on higher-value products**
- With both capacity additions, the **Company expects normalized[1] revenue to grow from ₹370 crores in FY27 to ₹560 crores in FY28, representing 50% growth**, supported by capacity ramp-up, order execution and a richer product mix
- Backed by an established customer base, expanding product approvals, a healthy order pipeline and growing demand across power transmission, the Company is well-positioned to scale its MV operations and capitalize on emerging opportunities
