BLS E-Services Successfully Consummates Acquisition of 100% stake in Atyati Technologies,

Acquisition to strengthen BLSe's AI driven banking solutions and technology capabilities for banks and financial institutions

New Delhi, 2nd July 2026 : BLS E-Services Limited ("**BLSe**"), a leading technology-enabled digital service provider, announced the successful acquisition of 100% stake in Atyati Technologies Private Limited ("**Atyati**"), a Bengaluru based AI-powered banking technology company providing digital solutions to banks and financial institutions across India, for a purchase consideration of ~ ₹ **157 Crores** in an all-cash transaction.

Atyati is a leading financial inclusion and banking technology platform that enables banks through AI-driven digital solutions, Business Correspondent services, micro-lending platforms, and last-mile banking infrastructure. The company serves more than 35 banks and financial institutions through a network of over 25,900 Customer Service Points (CSPs) covering approximately 100,000 villages across India.

The acquisition strengthens BLSe's position as a technology-led financial services platform by adding Atyati's advanced banking technology capabilities, expanding its CSP network, and enhancing its ability to provide AI-driven banking and financial inclusion solutions to banks and customers nationwide.

Lagrange Point Advisors LLP acted as the transaction advisor to BLSe for this transaction. Dentons Link Legal acted as the legal advisor, while the Deloitte acted as the financial and tax due diligence advisor for the transaction.

Commenting on the acquisition, Mr. Shikhar Aggarwal, Chairman, BLS E-Services Ltd. said:

"We are excited to announce the successful completion of the 100% acquisition of Atyati, marking a significant milestone in our journey and reaffirming our commitment to advancing financial inclusion across the country. Atyati, a leading AI-powered banking technology company providing digital solutions to banks and financial institutions, perfectly complements BLSe's established strengths in delivering essential last-mile banking services. This strategic fit enables us to further expand our reach and deepen our impact across underserved communities.

This acquisition is expected to unlock significant synergies for BLSe, including network expansion, enhanced scale, and improved cost efficiencies through shared infrastructure, all of which will contribute positively to our long-term growth and margin profile.”

About BLS E-Services Limited:

BLS E-Services, a subsidiary of BLS International, stands as a leading technology-enabled digital service provider in India, offering a diverse range of services that encompass Business Correspondent (BC / Rural Banking Outlets) services, Loan Distribution, Assisted E-services, and E-Governance Services. These offerings are all geared towards grass-roots empowerment, revolutionizing how essential services are accessed.

Through its robust network, BLS E-Services plays a pivotal role in facilitating access to a wide spectrum of essential public utility services, social welfare programs, healthcare, finance, education, agriculture, and banking services. This array of services caters to governments (G2C) and businesses (B2B), while also catering to the diverse needs of citizens (B2C) across urban, semi-urban, rural, and remote areas. Operating within a unique integrated business model, BLS E-Services bridges the digital gap in areas with low internet penetration by offering solutions through phygital strategy, i.e., physical, and digital.
