7c. Tailwinds in Loan Disbursement Markets

India's loan disbursement market, including banking and non-banking financial companies (NBFCs), plays a pivotal role in fuelling economic growth through credit disbursement across retail, MSME, housing, and other segments

India Systemic Credit Market (USD Tn.)

Segments	Market Size (FY25, USD Bn)	Share of Total Retail Credit
MSME Loans	~510	52%
Housing Loans	~459	46%
Auto Loans	~145	15%
Personal Loans	~176	18%
Gold Loans	~149	15%
Microfinance	~46	5%

Key Growth Drivers

Economic Expansion and Rising Incomes:
India's GDP growth at 6.3 6.4% for FY 2025-27 boosts disposable incomes and consumerism, driving demand for personal and housing loans

Financial Inclusion Initiatives:
Programmes like Pradhan Mantri Jan Dhan Yojana (PMJDY) have opened 541 Million accounts, facilitating credit access in rural/semi-urban areas (67% of accounts)

Digitalisation and Fintech Boom:
The fintech market, valued at USD 111 Billion, is projected to reach USD 421 Billion by 2029, with digital lending improving efficiency and inclusion via UPI

Urbanisation and Sector-Specific Demand:
Increasing urbanisation fuels housing and auto loans, while gold loans surge due to cultural affinity and economic volatility

Key Investment Highlights

Investment Rationale

Asset Light Model

01

Merchant led business model wherein all the BLS touch points & BLS E-stores are either owned or leased by merchants

BLSe provide them with necessary technology and other infrastructure (as applicable) enabling them to extend services to the end consumers

Cross-selling & Up-selling opportunities

02

BLSe's ability to bring together the advantages of G2C, B2B and B2C models within a single platform, provides a significant opportunity to cross sell and up-sell wide range of products & services to the citizens through its vast network

Diverse sources of revenue and negligible customer acquisition and retention costs

03

BLSe charge consumers with a service fee and transactional commission. Further charge merchants a registration fee, renewal fee, new service activation fee, etc other than the transaction fee for use of services available on their portal

Proven track record of successfully integrating acquisitions

04

BLSe have a history of acquiring complementary businesses.
Past acquisitions include Starfin and Zero Mass (ZMPL). In 2024, acquired 57% of Aadifidelis Solutions Pvt. Ltd., a loan disbursement and processing company in India.
Acquired 100% stake in Atyati Technologies Pvt. Ltd.

Network with Pan India presence

05

BLSe has Pan India presence through its widespread network of 1,88,200+ BLS Touchpoints and 60,000+ CSPs

Way Forward

Organic Growth

- Focus on volume led growth across the various verticals of BCs, Loan Disbursement, E-Gov & Assisted E-services
- Follow an aggressive strategy to win new government tenders for E-governance business
- New tie-ups with financial institutions viz Banks, Insurance companies, NBFC, etc.
- Continue to engage with new vendors for expanding B2B2C service offerings of BLSe
- Enhance the quality of services thereby enhancing customer experience

Invest in technology to further build robust systems and processes

- Strengthen our technology infrastructure to develop new capabilities and consolidate our existing platforms
- Invest in technologies, infrastructure & manpower to tap exciting possibilities related to digitalization, last mile penetration & enhanced service experience

Inorganic Opportunities

- Actively scouting for strategic inorganic opportunities, which would provide synergy to the existing businesses, with an objective to maximize shareholder's value
