Media Release

**Powering Growth, Employment & Healthy Snacking: ProV Foods Begins 2500 tonne Makhana Processing Unit in Bihar**

ProV Foods Private Limited is deeply honoured to announce the commencement of Bihar's Pride Makhana Processing Unit at Billori, Purnia, in the esteemed presence of Hon'ble MLA Shri Vijay Kumar Khemka Ji and Honourable Ex MLA Forbesganj Vidya Sagar Keshriji. Their visionary leadership, encouragement towards local industries, and commitment to Bihar's development made this milestone even more meaningful for us.

With an annual processing capacity of 2,500 tonnes, this state-of-the-art facility aims to strengthen Bihar's makhana ecosystem through enhanced processing, storage, and supply chain capabilities while creating hundreds of employment opportunities for local communities. The unit will also become a strong growth driver for Brand ProV, helping us expand our healthy snacking portfolio and strengthen our presence in both makhana and flavoured makhana categories across India.

More than infrastructure, this initiative represents empowerment for farmers, support for rural livelihoods, and a step towards taking Bihar's finest makhana to the world.

At ProV Foods, we strongly believe Bihar has the potential to become a global hub for premium makhana and healthy snacking, powered by its rich agricultural heritage and hardworking people.

Together, we move towards a future of growth, pride, and opportunity for Bihar.
