Dear Sir,

Sub.: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Further update on manufacturing tie-up.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and our disclosures dated November 13, 2024 and April 2, 2025, we wish to inform you that M/s RLJ Cement Limited (“RLJ”), with whom the Company has entered into a Non-Exclusive Supply Agreement for manufacture and supply of cement as per Prism Cement's quality and other specifications for onward sale by the Company to its customers, vide letter dated July 22, 2025 has informed the Company about nearing completion of enhancement in cement production capacity by 0.208 MTPA, as against planned capacity of 0.36 MTPA, at its Mirzapur Plant, Uttar Pradesh, which will be operational by September 30, 2025 as against earlier planned for June 30, 2025. The total cement production capacity of RLJ, after the proposed enhancement, would be 0.508 MTPA.

The delay in commencement of incremental production capacity of RLJ, as mentioned above, would not affect the Company's operation in the state of Uttar Pradesh as the Company will cater to the demand from its cement manufacturing plants at Satna, Madhya Pradesh.

The Company's outsourced grinding capacity through supply agreements with several grinding units, will increase from 1.08 MTPA currently to 1.288 MTPA by September 2025.

You are requested to kindly take the same on record.

Thanking you,

Yours faithfully,
For **PRISM JOHNSON LIMITED**
