

Wipro Continues to Lead Zinnov's Engineering R&D Service Providers' Rating

Bangalore, India and East Brunswick, New Jersey, December 23, 2015: Wipro Ltd. (NYSE:WIT), a leading global information technology, consulting and business process services company, today announced that it has been ranked in the leadership zone in the 'Global Engineering and R&D Service Providers (GSPR) Rating 2015' by Zinnov Management Consulting for the sixth consecutive year.

The report titled 'Global Engineering and R&D Service Providers Rating 2015' is an annual study to assist business leaders spearheading global engineering initiatives to make the right decisions in the selection of their partners across the world. It has comprehensively analyzed more than 75 companies.

Wipro has been recognized in the leadership zone across eight industries - Consumer Software, Enterprise Software, Consumer Electronics, Automotive, Medical Devices, Computer Peripherals & Storage, Semiconductor and Telecommunications. Wipro is also positioned as an 'Expansive and Established' player in Embedded Systems and Mechanical Engineering. The Zinnov study analyzed responses from participants across key parameters like product development capabilities & innovation, client relationships, human capital, financials, ecosystem linkages, infrastructure, and business sustainability.

Anita Ganti, Senior Vice President & Global Head of Product Engineering Services, Wipro Ltd. said, "Wipro's leadership position across a wide spectrum, is a testimonial to our continued growth and focus in innovation, technology, engineering and R&D services. Wipro strives to provide the insights and support, that enable our customers innovate, grow and win. This recognition by Zinnov reflects the confidence of Wipro's customers in our best in class solutions."

"Wipro has been consistently rated as one of the leaders in GSPR ratings. Over the years, Wipro has built a truly global and diverse Engineering Services practice with exemplary expertise across all industry verticals. Wipro's engineering expertise is enabling its customers create innovative and highly valued products and solutions and this is what makes them a differentiated partner for companies creating the technology of tomorrow. Their ability to scale up rapidly and make investments with customers makes them a critical Transformation partner. Further, Wipro's suite of solution accelerators, particularly across the Automotive, Telecom and Consumer Electronics verticals, was evaluated as highly mature in the GSPR analysis and makes them a recommended partner that R&D spenders are seeking to accelerate their Product Development." said **Sidhant Rastogi, Partner & Practice Head, Zinnov.**
