Wipro Receives 'Biggest Win' PartnerNow Award for Sales Partners from ServiceNow

East Brunswick, New Jersey, USA and Bangalore, India – June 9, 2016: Wipro Limited (NYSE:WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company today announced that it has received the 2015 'Biggest Win' PartnerNow Award for Sales Partners from ServiceNow. The award, which recognizes ServiceNow partners across the globe, was presented to Wipro as part of Knowledge16, the largest gathering of service management professionals using enterprise cloud services to change the way people work.

Wipro provides its clients infrastructure services on "As a service economy" principles using the key features and functionalities of Service Management automation.

Kiran Desai, Senior Vice President and Business Head for Global Infrastructure Services (GIS), Wipro Limited said, "The PartnerNow award is a reflection of the strong alignment and collaboration between Wipro and ServiceNow and we are delighted to receive this recognition. Wipro's industry-wide experience coupled with ServiceNow's leading applications helps to deliver platform-as-a-service (PaaS) and achieve agility, elasticity and intuitive user experience to our clients. ServiceNow's IT Service Management Services are uniquely positioned to enable our clients transform their business in the new as-a-service economy."

The PartnerNow awards are about recognizing the tremendous contributions of the ServiceNow partner community and rewarding those that have delivered outstanding value to ServiceNow and its customers.

About Knowledge16

At Knowledge16, approximately 10,000 attendees will have the opportunity to attend more than 125 labs and 200 breakout sessions, specialized networking events, and an ExpoNow exhibition hall with nearly 140 sponsors. With the combination of pre-conference training, hands-on labs, and breakout sessions, the conference presents the best opportunity for ServiceNow customers and partners to learn about the future of ServiceNow, the ecosystem and how we are empowering the service-oriented enterprise.
