'Spirit of Wipro' Run 2016 Saw Over 83,000 Participants Globally

Largest annual event for Wipro community

Bangalore, India – September 25, 2016: Wipro Ltd. (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today organized the eleventh edition of the 'Spirit of Wipro' Run, an annual global initiative to champion and reinforce the core values of the organization.

Over the past decade - from Bangalore to Boston and Sydney to Stockholm - thousands of employees, their families, friends, clients, partners, analysts and suppliers have participated in the Run.

Commenting on the Run, **Abidali Z Neemuchwala, Chief Executive Officer and Member of the Board, Wipro Limited** said, "Distance running is an expression of grit, determination and focus. This aligns closely with our ethos and core values. It was encouraging to see thousands of enthusiastic participants from across the globe come together to make the 2016 Run a huge success."

The 'Spirit of Wipro' Run brings Wipro's run-loving community together and is the largest global employee engagement event of the organization. The eleventh edition of the 'Spirit of Wipro' Run saw over 83,000 participants, including 4,000 participants from Wipro's client organizations.

In India, the Run was held in 16 cities, including Bangalore, Delhi, Mumbai, Chennai and Kolkata. The event saw an officially timed 21K or half marathon in Bangalore, Chennai and Pune. This apart, timed 10K races were held in Bangalore, Pune, Chennai, Delhi, Mumbai, Jaipur, Kochi, Mysore, Kolkata, Manjakudi and Hyderabad.

Saurabh Govil, President and Chief Human Resources Officer, Wipro Limited said, "The 'Spirit of Wipro' Run reflects the collective passion and resolve of numerous individuals across the globe. It nurtures and builds a strong sense of togetherness, not just within our organization, but also within our ecosystem of clients, partners, suppliers, employee families, and others. The purpose behind the Run underscores our commitment to support social and community causes."

Participants across geographies also support identified social causes. In India, the 2016 edition of the Run, organized in partnership with the not-for-profit Wipro Cares, is dedicated to supporting the educational needs of underprivileged children with disabilities.

Access to education for underprivileged children has been a cornerstone of Wipro Cares' work with proximate communities. Since 2014, Wipro Cares has extended this to work on education of children with disabilities. Its goals are to promote early intervention, which increases the likelihood of early mainstreaming, and inclusive education to enable children with and without disabilities to learn together.

In addition, Wipro Cares supports the basic healthcare and rehabilitation needs of underprivileged children with disabilities and aims to increase the ability of families and local communities to manage the needs of these children.

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
