Wipro Positioned as a 'Leader' in Gartner's Magic Quadrant for Application Testing Services, Worldwide 2015

Bangalore, India and East Brunswick, New Jersey, USA – December 14, 2015: Wipro Limited (NYSE:WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has been positioned as a 'Leader' in Gartner's Magic Quadrant for Application Testing Services, Worldwide 2015 for the second consecutive year. The report authored by Susanne Matson and Patrick J. Sullivan was published in November 2015.

Gartner defines "Application testing services" as a comprehensive term used to capture all types of verification and validation services for the purposes of supporting quality control and quality assurance (QA) of clients' applications. Verification assesses the technical behavior, and validation assesses the functional behavior of tested elements.

The report evaluated 17 different software vendors on 13 criteria and placed Wipro in the Leaders' quadrant. The full report is available at <http://www.gartner.com/reprints/wipro-limited---india?id=1-2SRFSW2&ct=151124&st=sb>

Bhanumurthy BM, President and Chief Executive, Business Application Services, Wipro Limited said, "We believe that Wipro's positioning as a 'Leader' for the second consecutive time is a testimony to the trust we have gained from our customers and our focus on delivering agile, scalable and robust systems through technology transformation. We continue to innovate through next generation tools and automation contributing to rich customer experience, faster time to market and business resiliency."

As an Independent Testing entity, Wipro Testing Services has been a pioneer in Quality Assurance that focusses on delivering Next-Gen business solutions to its customers across the globe. Powered with Intelligent QA Solutions like Wipro IntelliAssure, Wipro Assure NXT, and Digital Assurance, Wipro delivers business results that help its customers do business better.

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
