Panacea Biotec receives Certificate of GMP Compliance with manufacturing authorizations for 22 medicinal products from State Service of Ukraine on Medicines and Drugs Control

New Delhi – October 17, 2017:

Panacea Biotec, one of India's highly progressive research based biotechnology Company, announces that it has received the Certificate of GMP Compliance from State Service of Ukraine on Medicines and Drugs Control with Manufacturing Authorization for 22 medicinal products, including 4 oncology products for a period valid till June 24, 2020. Under this Manufacturing Authorization the Company's oral solid dosage manufacturing facility and oncology facility at Baddi, Himachal Pradesh have been certified as complying with the Good Manufacturing Practices. Ukraine is a member of the Pharmaceutical Inspection Co-operation Scheme (PIC/S) which has 49 countries from all over the world including Europe, Africa, America, Asia and Australasia. With this approval, registration of these 22 products can now be undertaken in the 49 PIC/S countries on a fast track basis as PIC/S brings about single window GMP Certification facilitation with provision to reduce duplication of inspections and enhance market access of the medicinal products amongst all member nations.

The 22 products under approval are in various therapeutic categories including organ transplantation, diabetes management, oncology, piles management, pain management and gastroenterology etc. Both the oral solid dosage manufacturing facility and oncology facility were inspected by the auditors from State Services of Ukraine on Medicines and Drug Control during the period from 19.06.2017 to 24.06.2017.

Speaking on the occasion Dr. Rajesh Jain, Joint Managing Director, Panacea Biotec Ltd said "the Certificate of GMP Compliance received from Ukrainian Authorities strengthens and opens 49 countries for Company's 22 products which can be registered in an expeditious manner under the PIC/s mechanism."
