Friday 19th December,

Pennar Engineered Building Systems Limited

Won Prestigious "IEI Industry Excellence Award 2014 *from Institute of Engineers (India)*

Pennar Engineered Building Systems Limited (PEBS Pennar), a subsidiary of Pennar Industries Limited, announces with pleasure that we have ***won Prestigious "IEI Industry Excellence Award 2014***

The award was received by **Mr. P V Rao, MD, PEBS Pennar** from **Honourable Governor of Andhra Pradesh and Telangana, Shri. E.S.L Narasimhan** at Hyderabad on 19th December.

The Institution of Engineers (India) (IEI) is the national organisation for engineers in India. IEI has over 0.5 million members from 15 engineering disciplines in 99 chapters in India and overseas; it is the largest multi-disciplinary engineering professional society in the English-speaking world

Commenting on this occasion, **Mr. P.V. Rao, MD** told, "We are extremely happy to receive this prestigious award from **Institute of Engineers (India) for the second consecutive year. We won the same award in 2013 as well.** This illustrates our team's continuous excellent efforts in business performance and customer satisfaction. This increases our responsibility to sustain and improve our performance and become market leader soon in Pre-Engineered Buildings Industry".
